MR. DENTON'S MESSAGE

IMPORTANT UPDATES

Good Afternoon,

Please be sure to check Schooltool today, if you haven't already, to get 1st marking period grade reports for your students. As always, be sure to celebrate your students' successes as well as seek assistance if needed. Our support team is actively working to provide support to any student in need, for any academic or social emotional reason. As mentioned in the letter shared last Friday, we gave our fall BIMAS survey to each grade level this week. We appreciate student participation and family support as we use every tool at our disposal to best understand and support our kids. Be sure to check out page 5 of today's issue for information on the upcoming Mental Wellness Community Event titled Raising Resilient Youth, facilitated by Superintendent Thomson. I want to thank students, staff, and families for their continued strength and resilience as we continue to support COVID safety protocols. Please know that our entire TEAM understands the frustrations students and families feel regarding testing protocols for symptomatic students and required absences. We want students in school each day as much as you do and sincerely appreciate your continued support as we stay vigilant in following State and County Health Department guidance. Our Nurses are working tirelessly to support students and families both in and out of school and we appreciate your understanding as they follow required COVID related protocols. Please remind your student drivers to use the Albert Palmer Lane entrance between 7-7:30AM to help us with traffic in the morning. We continue to be grateful for this amazing, strong, and resilient school community as we work to beat the pandemic. This Thanksgiving, our TEAM is thankful for our students, families, and staff. Please have a wonderful weekend and a safe and Happy Thanksgiving! We've come a long way since this same time last year and as always, we appreciate your support!

Gratefully - Kris H. Denton - Principal
