"Project CRISS was designed to help students learn more effectively throughout all curriculum areas. This workshop focuses on teaching students how to learn through reading, writing, talking and listening. CRISS principles and philosophy apply in all subject areas." -CRISS Manual

Comments from CRISS workshop participants:

"The ideas you have given us can be used across all content areas. Finally, something that is welcome by all and not just a few."

"I gained more info than I ever thought I would, I thought I would pick up an idea or two - not bunches of ideas!"

"The training was very helpful and the trainers were wonderful!"

"The (workshop) was very well planned and executed. Very powerful material- I loved it!"
