RE: Bid Award #346

It is recommended that the Bid for: One (1) Chevrolet Silverado #346

Be awarded to the low bidder meeting specifications:

**Emerling Chevrolet - \$29,005.66**

After reviewing the bids and discussing the low bidders submission for the Ford F250, we would like to reject the low bid for the Ford and accept the second low bid for the Chevy. Justifications for not accepting the low bid are:

- New Fords pick ups have been known for problems with engine components
- Transportation Dept and the Mechanics standardize on Chevy vehicles to controls parts inventory and service procedures and costs
- We do not have any service agreements with any Ford dealers.
