### **Food Allergy and Nutrition Information Disclaimer**

Information concerning nutritional values and product ingredients (including, but not limited to, carbohydrate amounts and food allergens), is obtained solely from the vendor or manufacturer of the specific product. Baldwinsville Central School District (BCSD) does not warrant nor guarantee the information provided by the vendor or manufacturer and expressly disclaims any liability arising from the provided information. BCSD offers this information solely as a courtesy, and makes no representation concerning its accuracy. The allergen listing posted on any food item does not guarantee that the external manufacturer, producer, or handler of the food product has maintained an allergen-free environment. Please be aware that there are factors that may affect a product's actual nutritional value and/or ingredient composition at any given time.

Manufacturers' formulations may change without notice.

USDA donated products may become available at any time during the year and may replace a purchased item.

Product brands may change during the year as new bids are approved.

Schools may be using inventory from a previous bid or manufacturer.

Recipes may change during the school year.

*If a BCSD student has a food allergy, the food service office must be notified in order to make reasonable accommodations. Please acquire a signed doctor's note indicating the allergy (or allergies) and any prescribed diet modifications. This note should be given to your school nurse who will forward the information to our food service office. Once received, the information will be added to the student's food service account pop-up. Please be aware that there may be a gap between the time the note is received and the time your note is added to the student account in NutriKids.*
