Additional Coordination of Benefits Instructions

Another Health Plan Paid

You must first submit the claim to the primary insurance carrier. Once the statement from the primary plan is received from the primary carrier, complete this form, tape the original prescription receipts in the spaces provided at the top of this page, and attach the statement from the primary plan, which clearly indicates the cost of the prescription and what was paid by the primary plan.

Prescription Drug Programs or HMO Plans

Retail pharmacies
If the primary plan is one in which a copayment or coinsurance is paid at a retail pharmacy, then no EOB is needed. Just complete this form and attach the prescription receipt(s) that shows the copayment or coinsurance amount paid at the pharmacy. The receipt(s) will serve as the EOB.

The Express Scripts Pharmacy
If the primary plan is mail order, complete this form and attach either the prescription receipt(s) that shows the copayment or coinsurance amount paid at the mail-order pharmacy or the statement of benefits you receive from the mail-order pharmacy.
