How To Get The Most From Your Plan

Pre-determination of Benefits
Pre-determination of benefits is recommended for any extensive treatment such as periodontics, orthodontics or prosthetics. A description of planned treatment and expected charges should be sent to the Plan before treatment is started. If there is a major change in the treatment, a revised predetermination of benefits is required. The expenses that will be included as Covered Expenses will be determined by your Plan and are subject to the Alternate Benefit provision. When there has not been a predetermination of benefits, your Plan will determine the expenses that will be included as Covered Expenses at the time the claim is received. Predetermination of Benefits does not guarantee payment and expires one year from date of issue. The estimate of benefits payable may change based on the benefits, if any, for which a person qualifies at the time services are completed.

Participating Dentists
Excellus BlueCross BlueShield offers a broad participating dental network in the Rochester, Syracuse, Utica and surrounding areas.

You have the option of receiving care from a dentist of your choice. However, choosing a participating dentist may result in savings for you because participating dentists agree to accept our Schedule of Allowances as payment in full for covered services. Aside from any coinsurance, there is no balance billing for covered services when provided by a participating dentist – that’s full coverage with no out-of-pocket expense for your covered routine preventive and diagnostic services.

Non-participating Dentists
You have the freedom to see any dentist. Non-participating dentists are not obligated to accept our Schedule of Allowances. You will be responsible for balances of non-participating dentists’ charges.

GENERAL INSTRUCTIONS
A. The form is designed so that the name and address (Item 3) of the third-party payer receiving the claim (insurance company/dental benefit plan) is visible in a standard #10 window envelope.
B. In the upper-right of the form, a blank space is provided for the convenience of the payer or insurance company, to allow the assignment of a claim or control number.
C. All Items in the form must be completed unless it is noted on the form or in the following instructions that completion is not required.
D. When a name and address field is required, the full name of an individual or a full business name, address and zip code must be entered.
E. All dates must include the four-digit year.
F. If the number of procedures reported exceeds the number of lines available on one claim form, the remaining procedures must be listed on a separate, fully completed claim form.

COORDINATION OF BENEFITS (COB)
When a claim is being submitted to the secondary payer, complete the form in its entirety and attach the primary payer's Explanation of Benefits (EOB) showing the amount paid by the primary payer.

NATIONAL PROVIDER IDENTIFIER (NPI)
NPI (National Provider Identifier): This is an identifier assigned by the Federal government to all providers considered to be HIPAA covered entities. An NPI is unique to an individual dentist (Type 1 NPI) or dental entity (Type 2 NPI), and has no intrinsic meaning. Additional information on NPI and enumeration can be obtained from the ADA's Internet Web Site: www.ada.org/goto/npi

ADDITIONAL PROVIDER IDENTIFIER
Additional Provider ID: This is an identifier assigned to the billing dentist or dental entity other than a Social Security Number (SSN) or Tax Identification Number (TIN). It is not the provider's NPI. The additional identifier is sometimes referred to as a Legacy Identifier (LID). LIDs may not be unique as they are assigned by different entities (e.g., third-party payer; Federal government). Some Legacy IDs have an intrinsic meaning.

PROVIDER SPECIALTY CODES
Provider Specialty Code: Enter the code that indicates the type of dental professional who delivered the treatment. Available codes describing treating dentists are listed below. The general code listed as 'Dentist' may be used instead of any other dental practitioner code.

Important Facts Regarding Your Authorization to Share Protected Health Information

• In order to comply with Federal HIPAA regulations health plans must obtain a member’s permission to share his/her protected health information with any other person. There are limited exceptions to this.

• As permitted by law, we will continue to communicate to providers of care involved in your treatment: (1) our payment activities in connection with your claims, (2) your enrollment in our health plan and (3) your eligibility for benefits.

• Until a child reaches age 18, parents may access most of their child’s health information without first obtaining the child’s permission. However, regardless of the child’s age, parents do not have access to diagnosis or treatment information for sexually transmitted diseases, abortion, and drug or alcohol abuse unless the child specifically authorizes the release of such information.

Health plan terms
To help you better understand our plans and your coverage, here are a few definitions* for frequently used health care terms.

**Primary Care Physician (PCP)**—A doctor who serves as your health care manager and coordinates virtually all of the health care services you routinely receive. Some plans do not require you to choose a PCP.

**Referral**—Instructions provided by a PCP for specialty care. Most plans do not require referrals.

**In-network coverage**—The coverage available when you receive services from a provider who participates in your health plan.

**Out-of-network coverage**—The coverage available when you receive services from a provider who does not participate in your health plan. Some plans may not include out-of-network coverage.

**Out-of-area**—Describes when you receive services while outside the geographic service area of your health plan. Your plan benefits may differ if you live or work beyond the geographic service area.

**Copay**—A dollar amount due at the time you receive certain services. A typical example would be an office visit copay due when visiting your physician’s office for treatment.

**Allowed Amount**—The maximum amount your health plan will pay for a specific service. In-network providers agree to accept the allowed amount as payment in full.

**Coinsurance**—A cost-sharing method that requires you pay a portion of the allowed amount for certain medical services.

**Deductible**—A set dollar amount you pay for covered services you receive before your insurer will make a payment.

**Out-of-pocket maximum**—The maximum amount of deductible and coinsurance payments that you will pay for health services each calendar year.

*Some definitions may vary slightly by plan. In case of a conflict between your legal plan documents and this information, the plan documents will govern.
