C.W. Baker High School

Inside the Issue

MR. DENTON'S MESSAGE

IMPORTANT UPDATES

One more week to go in the first semester and we got this! This week brought some real winter weather and some more information from the County Health Department as we continue to manage seasonal illnesses and COVID. But, we continue to persevere and move our kids and our school community forward, and we do it as a TEAM! As mentioned, there is still one week to be communicating with your students and their teachers regarding student progress in the 2nd quarter and it is never too late to seek assistance. Please review the reminders from our nurses' office on page 4 of this week's issue. I would like to commend our District health TEAM and the nurses here at C.W. Baker High as they have done a tremendous job in helping guide students and families through changing COVID guidelines, illnesses, and daily medical and wellness needs for all of our students. We are grateful for their efforts and for your support of their work. Please see page 2 to vote for our Marching Bees and Pep Band for a chance to win a Syracuse Area Music Award, again! And, congratulations to our Scholastic Art Award winners and Honorable Mentions. So much to be proud of here at C.W. Baker High and thanks to students, staff, and parents for making the first semester such a success. Have a restful and healthy weekend and GO BEES!

Gratefully, Kris H. Denton - Principal

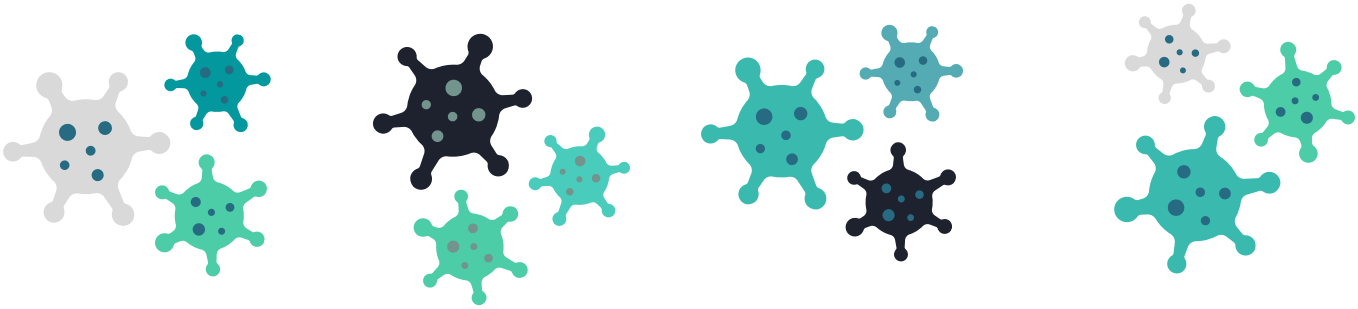
Covid Notification Update From the Health Office

As noted in Superintendent Thomson's email on January 18th, 2022, you will continue to be notified when your child has been identified as a close contact of a positive case. You will receive an automated voice message and an email notification instructing you to refer to the Onondaga County Health Department's flowchart for isolation and quarantine.



Similar to how our state and local health departments have indicated reliance on the "honor system" when required to isolate or quarantine, we are also asking our families to use the flowchart to comply with isolation and quarantine requirements established by public health officials. Therefore, if you are notified that your child has been a close contact, please use the flowchart responsibly to determine if your child must quarantine.

Please continue to notify the school of any positive COVID-19 results.

Find updated Covid-19 information here.

SHADOW DAY 2022

PRESIDENT'S DAY, FEBRUARY 21, 2022

AIR FORCE RESERVE OFFICER TRAINING CORPS
DETACHMENT 536

Clarkson University • St Lawrence University • SUNY Potsdam • SUNY Canton
CU Box 5850 • 55 Main Street • Potsdam, NY 13699 • (315) 268-7989 • det536af@clarkson.edu

Greetings,

Our Shadow Day program is an exciting opportunity for interested high school junior and senior students to experience the Air Force ROTC (AFROTC) program at Detachment 536 prior to entering their freshman year of college. We partner interested students with current cadets to preview AFROTC and university classes, Leadership Laboratory training, Physical Training, and campus lifestyle.

What is Leadership Laboratory and Physical Training? Leadership Lab (LLAB) is a unique, hands-on leadership training environment that all AFROTC cadets attend throughout the semester. Cadets are presented with various leadership challenges while learning military customs and courtesies, uniform wear, and drill and ceremonies. LLAB also involves the practices of problem solving, team building, and military discipline. Physical Training involves physical activity to promote and maintain fitness, using activities as varied as calisthenics, weight training, and sports. At Shadow Day, you will discover what AFROTC cadets experience week to week.

How Will Shadow Day be Conducted This Year in Light of COVID-19? For the safest and most informative experience possible during the pandemic, this year's Shadow Day will be conducted virtually. Students interested in attending will be able to participate from home while previewing college life and AFROTC training. Zoom links will be provided to all attendees.

Shadow Day will be held on President's Day, **Monday 21 February 2022.** Any students interested in participating in the Shadow Day program, or cannot attend but are still interested in joining our AFROTC program after high school, should contact us directly at det536af@clarkson.edu and bdavis@clarkson.edu, and we will e-mail you a quick survey to complete. The survey should be completed by 31 January 2022 for our planning purposes. **Once you complete the survey, be on the lookout for an email after 31 January 2022 with important information regarding Shadow Day.**

We look forward to hearing from you in the weeks ahead! Contact me at the email addresses listed above if you have any questions about Shadow Day, AFROTC, or officer careers in the US Air Force and US Space Force!

Sincerely,

BENJAMIN A. DAVIS, Capt, USAF
Recruiting Officer, AFROTC Det 536

New York State EDUCATION DEPARTMENT
Content Area Notification Service

Applications are now being accepted from high school seniors to represent New York State at the 2022 National Youth Science Camp (NYSCamp). Two students will be selected from each state and Washington, D.C., as well as eight countries, to attend the virtual camp, which will be held from June 27 through July 20, 2022.

The National Youth Science Camp is a science, technology, engineering, and mathematics (STEM) opportunity. The camp will provide daily lectures and seminars with leading scientists, directed studies alongside visiting and resident STEM professionals, and engaging activities in the natural, physical, and computer sciences and the creative arts. The deadline to apply is March 31st, 2022. Applications must be submitted online.

For more information about the program, please visit the National Youth Science Foundation website, the NYSCamp website, or the NYSED Office of Curriculum and Instruction Science Awards and Scholarships page. For additional information regarding the application process, please contact the New York State Coordinator for the National Youth Science Camp, Nicole Marschilok, at 518-474-5922 or at Nicole.Marschilok@nysed.gov.

Sincerely,
The Office of Curriculum and Instruction
