Playaway Permission Slip

Elden Library is excited to offer digital audio devices as part of our program for students in grades 4-5.

The Playaway is a self-contained mp3 player that comes with a preloaded digital audio book. We currently own 38 age appropriate titles. The Playaway looks no bigger than a deck of cards and its controls are on the flipside of the player. Earbuds are included (you may use your own ear buds if you'd like) and one AAA battery is included.

These devices are fairly expensive (\$35.00 to \$60.00). The student who checks out a Playaway is responsible for keeping it in good working condition and returning it when it is due. Playaways will be loaned for the same amount of time as a print book. If a Playaway is lost or damaged, the student would be responsible for the expense of replacing it or its components, just as they would for all other library materials.

Playaways go out for a regular book loan period (8 -10 days) and may not be renewed. Only one Playaway may be checked out at a time.

Please indicate that you understand our library procedure by signing and returning the permission slip below to the library.
