February 8, 2019

Dear Palmer Families,

The last several weeks at Palmer have been busy ones, with many students participating in a variety of special programs and events. With that said, it is hard to believe we are quickly approaching the completion of the first 100 days of the school year. With this milestone soon to be met, hopefully spring is just around the bend. Recently, students have been learning about Social Intelligence in conjunction with the Positivity Project and in the week leading up to break they will be learning about Love.

Today, we wrapped up our PARP One School, One Book campaign during which we explored the text *Friendship* according to Humphrey in anticipation of our Family Book Fair & Literacy Night (5:30-7:30) occurring this evening. Special thanks goes out to the Palmer PTA for sponsoring a wonderful reading experience.

As of now, we are just a few short hours away from Enrichment Day registration. Please remember that registration opens tomorrow morning at 9:00 am and sessions are filled on a first come first served basis. Sessions are sure to fill up fast, so do not delay in registering.

In anticipation of post-break school wide events, we will be celebrating Read Across America Week February 25–March 1. During this time, students will have the opportunity to engage in some fun Dr. Seuss themed activities as outlined in the accompanying attachment.

As we continue to find ourselves in the midst seasonal illness, please see the attached communication from our Palmer Elementary Nurse, that provides information and suggestions for promoting health and decreasing the risk of exposure.

Upcoming Palmer events include:

- 2/25-3/1 Read Across America Week

Reminders:

- The Positivity Project Character Card for Love can be viewed as an attachment.
- Please see the attached schedule set for Read Across America Week
- Please see the attached communication from our School Nurse regarding student illness and care.

To Stay Connected:

- Access Palmer Elementary's website, by clicking the "Schools" tab at the District's website, www.bville.org.
- As a school, we communicate a lot of information via email, so be sure to keep your current email address up to date and check it often!

- Like Palmer Elementary School on Facebook and follow @aewing35 on Twitter!

Have a WONDERFUL weekend!

Alex Ewing
