Important Updates

Marking period 4 starts Monday!

Marking period 3 comes to an end today. Report cards will follow on April 21. Please continue to monitor student progress on school tool and be in contact with teachers if you have any questions.

The **BIMAS survey** will be given to sophomore students on Monday. Please see page 3 for additional details.

We are now accepting applications from current Juniors for the next **Student Board of Education Representative**. Applicants must have attended the high school in both 10th and 11th grades. Additional information, including the application, is available [here](#), and students can come to the main office with any additional questions. Applications are due by April 17.

Junior Prom is right around the corner on April 29th. Tickets are for sale during lunches in the lobby.

Senior yard signs are available for purchase through the Senior Class and Bill Gambino. Please see the links on the [senior page](#) for more information.

Congratulations to our new members of **National Honor Society and the BOCES National Technical Honor Society**. You can see the list of students on the ["student section" page](#).

On Tuesday, May 16, you will have the opportunity to vote on our proposed **capital project**. We invite you to watch this brief video to find out more about our plans and how they will affect your students. [Watch the full video on our website](#).

A big thank you to our **guest speakers** this week - DA Fitzpatrick came to speak to our Forensics classes, and representatives from Applied Technology at OCC came today to speak to our Tech classes and other interested parties. Much appreciated!

RETURN TO TABLE OF CONTENTS

Over the past 2 weeks Baker and Durgee host students welcomed 17 exchange friends from Germany. Over the year the BCSD students and German students have formed a relationship as long distance pen pals. Our German friends spent spring break with their respective host families exploring Niagara Falls, the Adirondacks, Washington DC, Boston, Florida and many other great places. Since Monday, our German friends have been at school with their host student enjoying all the opportunities C.W. Baker and Durgee Jr. HS have to offer. This evening the host families and exchange students will gather to share a meal and say their goodbyes.

To our German friends- Have a safe trip! We wish you all the best and hope that you enjoyed your experience in Baldwinsville.

Sincerely,
Jen Terpening

BIMAS Survey Information

April 2023

Dear Parent(s)/Guardian(s):

The Baldwinsville Central School District understands how important social and emotional development and well-being is to students' successes in school, and beyond post-secondary schooling. Social-Emotional Learning (SEL) lessons and activities teach students how to manage stress, to control their behaviors, to get along with others, and to make good decisions. In order to better understand instructional needs and to gauge the effectiveness of our SEL competencies, we plan to survey all students using a screening tool known as the Behavior Intervention Monitoring Assessment System 2 (BIMAS 2). This tool measures students' social-behavioral health (behaviors that relate to SEL skills) and will be completed by the student (grades 7-12).

This information helps the schools target instructional SEL toward specific areas/skills to be developed and, over time, to measure and improve the effectiveness of these programs. As a district, we began implementing this screening tool at the elementary level a few years ago. This is our third year of implementation with this tool at the secondary level. We have been able to use this data to guide building and individual student interventions, monitor progress of programming and student behavior in order to expand preventative programs that support the overall well-being of our students.

We do want you to be aware that the screening tool/survey includes an item which assesses the students' thoughts of self-harm. In the event that your child rates this item, we will be in immediate contact with you, conduct further in-depth assessment, and assist you and your child with school support staff, potential referrals, and/or emergency services, accordingly.

Students who attend C.W. Baker High School will be taking the self report version of this screening tool:

10th Grade - Monday, April 17, 2023

11th Grade + 12th Grade - Monday, April 24, 2023

If you have any questions or concerns about your child's participation, please feel free to contact Karrie LaMacchia, Director of Pupil and Personnel Services at (315) 638-6052 or email klamacchia@bville.org.

Sincerely,
Karrie LaMacchia
Director of Pupil and Personnel Services

**Students, do you have
questions or concerns
about the BIMAS?**

AP

AP DAILY: PRACTICE SESSIONS NEW 2023 Videos

With AP® Exams just around the corner, encourage your AP teachers and students to take advantage of **AP Daily: Practice Sessions**—a new video resource designed to help students review course content and practice applying what they've learned throughout the school year.

These sessions will be available in just a few days:

- **April 17:** Video sessions 1–4 available
- **April 24:** Video sessions 5–8 available

AP Daily: Practice Sessions focus on providing students with practice on free-response and multiple-choice questions, with the aim of helping them get familiar with the types of questions they'll see on exam day.

VIDEOS WILL BE ON AP CLASSROOM
AND YOUTUBE.

FULL SESSION SCHEDULE IS HERE.
