Important Updates

Class of 2023,

We've made it! The **last day of classes** at Durgee and Baker will be **Tuesday, June 13**.

But it's not quite summer yet. Regents exams will begin on June 14.

Due to security concerns, we have had to remove the Staff Directory from our website. If you need to contact a teacher, please send a message using parent portal (School tool) or contact the main office for more details.

Seniors and Senior Parents, with all the events coming up to celebrate your achievements, you have your own special edition of the virtual times. [It is available here.](#)

This week we celebrated our Seniors at Moving Up Day, our morning Student Awards Assembly, and at the Athletics Awards. We will be sharing pictures of all of these events in our next edition.

We all know learning begins and continues in the home! We celebrate you and we are so proud of you. More importantly, you can be proud of yourselves! Young ladies and young gentlemen, you, along your journey in life, have chosen to work hard, you have endured and you have kept your drive toward achieving this wonderful and necessary achievement along your paths.

Some of you will go on to college- and some of you, like many of our staff, will come back in efforts to teach and grow with future generations...or go into other needed fields for which you have passion.

Some of you will work now and go to college later. Some of you will go directly into the work force. Some of you will go into the military... the list goes on... what we ask of you is that you never stop learning and growing: mind, body, and spirit!

Our advice to you is to see all people for whom they are... not who they are labeled to be! Many people in this world treat you unfairly, especially when you stand up for what is right and just, but know that your behaviors and your choices are things which will have the greatest powers over your individual and collective journeys!

Do not compromise your integrity for anyone -no matter the cost! And if your expectations for yourselves are high enough, like Jay Z said, "Look in the mirror, become your greatest opponent within reason!" Come back and give back to your neighborhood and know that we will be here whenever you call on your at-school Family. Never forget where your hive is!

Enjoy the Ball this weekend. You have earned it, but always "be smart with how you celebrate...and strong with how you cope!"

Mrs. Terpening, Ms. McRobbie,
Mr. Allan, Mrs. Medwid
