Important Updates

Enjoy your Spring Break!

Marking period 3 comes to an end on April 14. Please continue to check Schooltool for grade updates.

We are now accepting applications from current Juniors for the next **Student Board of Education Representative**. Applicants must have attended the high school in both 10th and 11th grades. Additional information, including the application, is available [here](#), and students can come to the main office with any additional questions. Applications are due by April 17.

If you missed any of our March **music department concerts**, you can still watch them by visiting the [Baldwinsville Music and Theater Department youtube channel](#).

Junior Prom is right around the corner. Tickets are for sale during lunches in the lobby.

On Tuesday, May 16, you will have the opportunity to vote on our proposed **capital project**. We invite you to watch this brief video to find out more about our plans and how they will affect your students. [Watch the full video on our website](#).

Our Baldwinsville community is again grieving the unexpected loss of one of our students. At times like these, we all need to come together to support each other. Let's honor the memory of Maya "Marshall" and Ava by being kind, compassionate, and supportive to one another. Please know that there are resources available for those who may be struggling and it's important to reach out for help. 

C.W. Baker High School

Baldwinsville

Spring Break is upon us, and before we know it the end of the school year will be here. Not only have the students worked hard, but the entire staff at Baker High School has worked tirelessly since the beginning to make this school year a success.

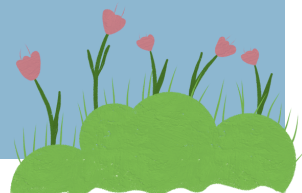

Take this time to rest and recharge, try something new, visit a new place, or volunteer your time to help others. Spring Break is a great time to catch up with friends and family, and also provides an opportunity to catch up on some assignments and projects.

Use the change of scenery and freedom from the daily structure of school to your advantage. Find your motivation and prepare yourself for the final push to the end of the year, as many exciting events are approaching, such as Senior Ball and Junior Prom.

Enjoy your Spring Break. We look forward to seeing you in April!

Best,
Mr. Bill Allan
Assistant Principal

BIMAS Survey Information

April 2023

Dear Parent(s)/Guardian(s):

The Baldwinsville Central School District understands how important social and emotional development and well-being is to students' successes in school, and beyond post-secondary schooling. Social-Emotional Learning (SEL) lessons and activities teach students how to manage stress, to control their behaviors, to get along with others, and to make good decisions. In order to better understand instructional needs and to gauge the effectiveness of our SEL competencies, we plan to survey all students using a screening tool known as the Behavior Intervention Monitoring Assessment System 2 (BIMAS 2). This tool measures students' social-behavioral health (behaviors that relate to SEL skills) and will be completed by the student (grades 7-12).

This information helps the schools target instructional SEL toward specific areas/skills to be developed and, over time, to measure and improve the effectiveness of these programs. As a district, we began implementing this screening tool at the elementary level a few years ago. This is our third year of implementation with this tool at the secondary level. We have been able to use this data to guide building and individual student interventions, monitor progress of programming and student behavior in order to expand preventative programs that support the overall well-being of our students.

We do want you to be aware that the screening tool/survey includes an item which assesses the students' thoughts of self-harm. In the event that your child rates this item, we will be in immediate contact with you, conduct further in-depth assessment, and assist you and your child with school support staff, potential referrals, and/or emergency services, accordingly.

Students who attend C.W. Baker High School will be taking the self report version of this screening tool:

10th Grade - Monday, April 17, 2023

11th Grade + 12th Grade - Monday, April 24, 2023

If you have any questions or concerns about your child's participation, please feel free to contact Karrie LaMacchia, Director of Pupil and Personnel Services at (315) 638-6052 or email klamacchia@bville.org.

Sincerely,
Karrie LaMacchia
Director of Pupil and Personnel Services

**Students, do you have
questions or concerns
about the BIMAS?**

Community-Based Mental Health Counseling

If your student is in need of mental health counseling, below is a list of four well-known, *local agencies in the community to contact for an intake*. If there are waitlists, we encourage parents to reach out to multiple agencies.

Agency/Website	Phone Number
St. Joseph's Behavioral Health Services https://www.sjhsyr.org/find-a-service-or-specialty/behavioral-health/	Youth Clinic: (315) 703-2800 Adult Clinic: (315) 703-2700
Psychological Healthcare, P.L.L.C. https://www.phcny.com/	(315) 422-0300
Helio Health https://www.helio.health/	(315) 471-1564
Liberty Resources https://www.liberty-resources.org/	(315) 425-1004
*This is not school-based counseling.	

*For additional counseling resources, please reach out to Baker Guidance.

CRISIS RESOURCES

In the event of a *life threatening emergency*, you should **call 911** or **go directly to an emergency room**.

988 Suicide and Crisis Lifeline: Text or Call 988

988 Lifeline accepts calls, texts, and chats from anyone who needs support for a suicidal, mental health, and/or substance use crisis. This is free and confidential support available 24 hours a day, 7 days a week.

National Suicide Prevention Lifeline: People may text **GOT5** to **741741** for Crisis Text Line or **HOME** to **741741** or call the National Suicide Prevention Lifeline at **1-800-273-TALK** or **1-800-784-2433**

Contact Hotline in Syracuse: 315-251-0600

24 hour telephone counseling, suicide prevention, crisis counseling, information and referral.

Upstate Emergency Room: 315-464-5540

SUNY Upstate provides emergency assessment, psychiatric hospitalization, and outpatient mental health care. Individuals in crisis may present to the ER or call the switchboard to speak to ER personnel.

Liberty Resources Mobile Crisis Team: 315-251-0800

(24/7) Mobile Crisis- Mental Health Services for ADULTS and YOUTH. Rapid response when you need it most.

CPEP (Comp. Psychiatric Emergency Program): 315-448-6555

ADIRONDACK FIELD STUDIES PROGRAM

[VIDEO LINK](#)

LAST CALL FOR APPLICATIONS - DUE APRIL 12

Program Information: <https://www.ocmboces.org/teacherpage.cfm?teacher=3570>

APPLY NOW

What is it?

- A six-day environmental education program that provides opportunities for students to explore and learn about the ecology of the Adirondack Mountains and gain hands-on experience using the scientific method through both a structured program and independent research. There are only two (2) spots available for Baldwinsville students.

Where and when does it take place?

- The Adirondack Field Studies program takes place at the SUNY ESF Biological Field Station, Cranberry Lake in the Adirondack Mountains and will run from August 5-11, 2023.

Who attends and how do students get there?

- High school students from twelve school districts throughout Central and Western New York participate in this program.
- Transportation is provided. Charter buses take students from the OCM BOCES Liverpool campus to the Cranberry Lake Biological Station and back.

How much does it cost?

- No program cost to students. Participation fees for Baldwinsville students are paid for by the School District and cover instruction, food, lodging, and transportation.
- Students are responsible for the cost of food (if desired) at stops while in transit to and from the Biological Station and for souvenirs (if desired) while there. Bagged lunches are provided on both travel days and additional food purchases are not required.

What can I expect once I am there?

- Students are required to attend the entire session including the bus ride to and from the Biological Station. This is an academic program and participation is required at all times.
- Students are housed in communal cabins equipped with a bunk and mattress for each student, a desk, dressers, chairs, and clothes closets.
- Students spend a great deal of time working/studying outdoors- rain or shine. There are also four classroom buildings for lectures and lab work.
- Students work cooperatively in a small group to conduct an experiment testing a hypothesis and give a group presentation of their work.

Who should I contact if I have questions?

Baker HS students - Questions regarding the program or the application process should be directed to Jen Medwid - jmedwid@bville.org

Durgee JHS students - Questions regarding the program or the application process should be directed to TJ Fraher, tfracraher@bville.org.
