Baldwinsville Boys Lacrosse Parents and Players:

Baldwinsville lacrosse is back and on track for the upcoming spring season! The spring season will start on Mon, 4/19 for all levels (7/8 Modified, 8/9 Modified, JV, Varsity).

We strongly encourage players who haven’t been playing in any of our offseason programs to get back out on the lacrosse field this spring. We have and always will encourage our lacrosse players to play multiple sports. **However, when spring comes...be an athlete and come out for lacrosse! Even if you’re a 7th grader and haven’t ever played before, it’s a sport that an athlete can pick up quick!**

**Family ID (https://hello.familyid.com/home) registration is open.** Please register ASAP and don’t wait till the last week. **In order to start on 4/19, all players must be registered and approved on Family ID.**

**Due to COVID there will NOT be a preseason parent/player meeting but rather an upcoming email of a PowerPoint presentation. This PowerPoint presentation will contain all the important information both on and off the lacrosse field for this coming boys’ lacrosse season. We will make sure to send the email and reminders a few times before the official spring start date.**

Listed below are the important upcoming dates for boys’ lacrosse.

If you have any questions or concerns please email me (mwilcox@bville.org).

Thank You,

Coach Wilcox
Baldwinsville Boys Varsity Lacrosse Coach
