Athletic Code of Conduct / Academics

- **BCSD Athletic Code of Conduct**
 - Please review link below
- <https://www.bville.org/tfiles/folder878/Code%20of%20Conduct%20BOE%20Approval%2006.06.22%20-%20Appendix%20C%20for%20Athletes.pdf>
- **Academics Before Athletics**
 - All students athletes are students first. They should make sure they are doing what they need to be doing to grow as a student to set them up for their future.
- **Building Good Habits**
 - Going to class and participating helps to build habits that will benefit the student in the future along with on the basketball court.

Athletic Office will schedule a mandatory Athletic Code of conduct meeting the week after tryouts

Athletic Code of Conduct Updates for Academic Eligibility

- If a student is failing **two** subjects during any of the academic eligibility periods as mentioned above, the student has **two weeks** to bring at least **one** of the subjects up to a passing grade and the student may continue to participate. The student will receive a contract from their coach to be signed by the teacher, coach, parent/guardian and administration. Contracts have to be handed into the main office by deadline. If, after the two weeks, the student is failing two subjects, the student athlete will be suspended for the remainder of that season.
- If a student is failing **three or more subjects**, the student will be declared ineligible to participate for the remainder of that athletic season.

Sample Winter Mid Mark:

Lock Date = 12/21/2022

Publish Date = 12/23/2022

Contract Out = 1/3/2023

Grade Rechecked = 1/18/2023

***Failing after Recheck = INELIGIBLE for the remainder of the fall season.**

***Note - If this is the case and you play a winter/spring sports. CONTRACTS must be handed in order to try out for those season.**

Student Athlete:1 academic appeal for their career~Once you use it you lose it.

Protocol for Athletic Concerns

If a concern/situation presents itself during the season, below is the protocol to address the concern/situation. As a reminder, there is a 24-hour rule for speaking with coaches after a meet/match/game.

As a reminder, parents/guardians and student athletes will refrain from speaking with coaches about such issues as playing time, athletic ability, and team strategy insofar as they relate to student athletes other than their own child.

- **Appropriate concerns to discuss with coaches:**
 - The treatment of your child mentally and physically.
 - Ways to help your child improve.
 - Concerns about your child's behavior.
 - Your child's academics.

Step 1 . Student athlete meets with coach – if not resolved;

Step 2. Student athlete & parent/guardian meets with coach – if not resolved;

Step 3. Student athlete, parent/guardian and coach meets with the Athletic Director.

Goals for the Program

- **Develop continuity and culture within the basketball program**
 - **We will strive to engage the community to build support and continuity of success within the program. This starts with the varsity level and works its way down to the youth levels.**
- **Build relationships with the players to help them both on the court, in the classroom, and in their life.**
 - **We will work with the student athletes on a daily basis to help build habits that will help them in more areas than just athletics.**
- **Compete for Championships**
 - **We will develop a culture of winning and competition. To do this, we will focus on building a team that plays together, plays hard, and makes winning basketball plays. This starts with focusing on the fundamentals and the little things which eventually lead to winning.**

Goals for Players

1. Develop Yourself as a Student

- a. Baldwinsville has a great academic program that can make a significant contribution to your life. Maximize your time in class. If you're missing practice time due to neglecting your academics, you are hurting the team.**

2. Develop as a Team (Commitment)

- a. While playing multiple sports is encouraged, during basketball season, there should be a full commitment from the player to make all practices, games, and events. Players should work to connect with other teammates and have their backs whether playing the whole game or not playing at all.**

3. Develop as a Player

- a. Goal setting can help individuals identify where they want to be in the future. We will work with players to identify what they want to get out of their high school experience and basketball careers.**

Varsity Philosophy

- The priority, as a team, is to win games and compete in League, Sectional, and State level games.

How this happens:

- **Attention to detail**
 - Ensuring all of the little things are correct.
- **Listening and Learning**
 - Listening when coaches are teaching concepts.
 - Taking it upon oneself to learn plays and prepare for games and practices.
- **Teamwork**
 - Having each others backs when things are going well and are not going well.
 - Cheering for each other whether playing or not.
- **Playing Hard**
 - Good things happen when you play hard.

JV/Freshman/Modified Philosophy

JV

- Expand on concepts taught at the Freshman level.
- Continue to develop fundamentals while increasing pace of play and understanding of the game.
- Prepare players for the transition to varsity:
 - Terminology
 - Offensive Concepts
 - Defensive Concepts
 - Plays

Freshman/ Modified Levels

- Introduce concepts that will be honed in on at the JV and Varsity levels.
- Develop fundamentals.
- Provide an opportunity for players to have in game experience.

Program Levels

Varsity (11th and 12th grade unless otherwise told by a coach)

- All players going into 11th or 12th grade will try out for varsity.
- Underclassmen will be told if they will be trying out for varsity, unless pulled up last year.

Junior Varsity (10th grade 9th if asked to try out)

- All players going into 10th grade and 9th graders who are asked to try out for JV.

9th Modified

- ALL 9th graders must try out starting October 31st. At the end of tryouts, coaches will decide if a 9th grader will be asked to tryout for JV.

Modified (7th/8th grade)

- 7th and 8th graders only.

Guidelines for Tryouts

- **Each player will have 3 days of tryouts.**
- **Cuts will be based on an evaluation process that we set forth later in the presentation.**
- **The expected number of players on each team will be 12. Please note this may vary.**

Equipment Needed

- **Shoes and a reversible jersey (red and white shirt if not available)**

Evaluations

Things we look for...

- Ability
 - How well you shoot, pass, dribble, rebound, play defense, etc.
- Playing hard
 - Do you play hard the entire time or only when you think coaches are watching?
- Picking up concepts
 - How quickly can you pick up what a coach is telling you
- Eagerness to Learn (Coachability)
 - Asking questions when you don't understand something and then implementing it on the court.
- Academics
 - Are you applying yourself in the classroom?
- Conditioning
 - Have you been working out in the off season and are prepared to compete?
- Team Player
 - How is your energy? How do you interact with other players?

Practice/Game Information

Practices and game information can be found on Schedule Galaxy - <https://www.schedulegalaxy.com/login>

***Varsity/JV Practice will be held at Baker H.S.**

*** Freshman/Modified Practices will be at Durgee J.H.S.**

ALL PRACTICES ARE CLOSED TO EVERYONE EXCEPT PLAYERS AND COACHES

- **Practice/game times are subject to change due to weather and gym availability.**
- **Any cancellations will be announced in school as well as on the Schools' Athletic Website.**

Player/Coach Communication

- **Communication is a very important aspect of the team's success during season.**
- **Any time there is an emotional, mental, and/or physical problem that is occurring with a player they are supported and encouraged to tell the head coach immediately.**
- **Any other issues, such as playing time, positioning, and team schemes should be communicated through the chain of command.**

Player Injuries

- **We ask that all players report injuries to their coaches (especially head injuries). Without doing that can result in a more severe injury.**
- **When an athlete has seen the athletic trainer, the coach will go by the trainer's protocol for the injury.**
- **Depending on the injury a player will not practice until he is cleared by a Dr.'s note which states - Student is able to return to athletics with zero restrictions.**

Concussions:

- **Must follow protocol set for by the athletic trainers/school district.**

Player Injuries Cont.

- **If a player see's a doctor you must notify the coach and athletic trainer regarding the result given by doctor. *A player must give their medical release from doctor to the school nurse NOT the coach/athletic trainer.***
- **The only time that a doctor's note should be given to a coach is if a student was at a doctor or dental visit on that day and was either late or released due to the appointment.**
