

Baldwinsville Central School District After School Enrichment Program

The after school enrichment program is a new opportunity for students to sign up for extra-curricular experiences after the school day! There will be:

- ❖ experiences offered at every school
- ❖ Baldwinsville teachers and staff leading the experiences
- ❖ transportation available for any student

When: Tuesdays, Wednesdays, and Thursdays

- Semester 1: October 4th - January 26th
- Semester 2: January 31st - May 25th
- Follow late bus schedule

Registration

Please use the link below to register. All registrations must be completed by **September 27, 2022**. All clubs will proceed pending student interest as determined by number enrolled.

Check out the offerings for your school below!

After School Enrichment Experiences: Ray Middle School

Chess Club

Learning how to play chess from beginner to advance. There will be a chess tournament at the end of the semester.

Grades: 6, 7

Day of the week: Thursday

Semesters: Semester 1

Personal Health and Physical Fitness

Students will be engaging in fun sports and games as well as learning how to remain healthy (physically and mentally). They will also have the opportunity to learn how to make some recipes in the kitchen!

Grades: 6, 7

Day of the week: Thursday

Semesters: Semester 1 & 2

After School Enrichment Experiences: Ray Middle School

¡Explora Español Club!

¡Vamos a explorar! Come learn basic Spanish and explore the different cultures of Spanish-speaking countries around the world!

Students will:

-practice communicating in Spanish starting with the foundations as well as other topics that the group is interested in learning about.

Topics may include food, travel, health, and school.

-learn about where Spanish is spoken in the world and the different cultures in the Hispanic countries

-play games and participate in hands-on activities while being introduced to the Spanish language and culture.

Join us to have some fun exploring the world of Spanish!

Grades: 6, 7

Day of the week: Wednesday

Semesters: Semester 1

After School Enrichment Experiences: Ray Middle School

Agriculture and BioTech Club

A club based around agriculture and biology would benefit students and allow them to gain useful skills that could benefit them in the future. The agricultural roots of the community allow this club to reach students who might not otherwise be involved in an extracurricular activity. The idea of this club is to give students first hand experience in the modern agriculture world and teach them to use the natural resources of our planet sustainably and responsibly. Goals of the club include constructing, maintaining, and observing an observation bee hive in the classroom (similar to the hive at Beaver Lake Nature Center), Maintaining a healthy and successful hydroponic and aquaponic ecosystem, tapping trees and processing maple sap into maple syrup, and raising trout and salmon to be released into local streams with the DEC outreach program.

Grades: 6, 7

Day of the week: Thursday

Semesters: Semesters 1 & 2

After School Enrichment Experiences: Ray Middle School

Art-Rageous!

Love Art, but just can't get enough in ten weeks? Wish that your classmates wanted to make, draw, create just as much as you? Dream of spending uninterrupted hours in the Art room? Art-Rageous is for YOU!!!

During your after-school time in the Art rooms at Ray you will be working with other committed students to create Art projects that go beyond the curriculum. We will work with materials like polymer clay, Shrinky Dink film, paper craft, all along with more basic art materials like colored pencils and paint. We will also help you enter and refine your work for art contests.

Our goal is to remember how amazing it feels to get lost in making cool stuff alongside other students who LOVE Art like you do!

Grades: 6, 7

Day of the week: Wednesday

Semesters: Semester 1 & 2

After School Enrichment Experiences: Ray Middle School

Doggie Academy Club

Come to Doggie Academy to learn everything you ever wanted to know about raising dogs. Some of the topics studied will include exploring different breeds of dogs, decoding dog body language, enrichment activities, and knowing the difference between aggressive versus reactive dogs. We will also make some fun treats for your canine friend at home.

Grades: 6, 7

Day of the week: Thursday

Semesters: Semester 1 & 2

After School Enrichment Experiences: Ray Middle School

Running Club

The Ray Winter Runners Club is open to students of all fitness levels and abilities. We do simple stretches and a warm-up, and then we're ready to go! Coach makes a daily workout that we complete around the bus loop or campus depending on the weather. Don't forget to dress warm, we run outside in the snow!

Grades: 6, 7

Day of the week: Wednesday

Semesters: Semester 1 (Note: This club will run from October 26, 2022 to February 15, 2023)

SEL With Owen Club

Join us on Tuesdays after school to learn about and practice strategies for relieving stress, mindfulness and problem solving! We will play games, work on crafts and complete activities in order to learn about all of these amazing skills that can help you in all aspects of your life! The best part of all? Owen, Ray's TEA dog, will be there to make the club even better!

Grades: 6, 7

Day of the week: Tuesday

Semesters: Semester 1 & 2

After School Enrichment Experiences: Ray Middle School

LEGO League

FIRST LEGO League (FLL®) is an international, inquiry-based program that teaches students, ages 9 through 14, about science, technology, and collaboration. Students will be coding on computers to complete various tasks with Lego Robotics. **NOTE:** The first meeting will be an informational meeting to review expectations of the club and determine students interested in participating. LEGO League has a max of 10 students.

Grades: 6, 7

Day of the week: Tuesday

Semesters: Semester 1 & 2
