

# Baldwinsville Central School District Athletic Camp

**Who:** Students Currently in Grades K-6

**When:** July 31-August 4, 8:30-11:30

**Where:** Main Campus

Transportation, breakfast, and lunch **will not** be available  
for this program

This camp is a 1- week summer program that will be an enrichment-based camp. We want the campers to be active, reinforce athletics skills learned during the regular school year, and to learn new athletics skills that they can build on moving forward. This camp will promote teamwork, sportsmanship and encouragement of positive support of their peers. The goal is for the campers to learn or to improve on athletic concepts each day in an organized manner and to most importantly have fun.

*Registered students are expected to attend each day.*
