

Baldwinsville Central School District STEAM Camp

Who: Students currently in Grades 4-7

When: July 22-26, 12:30-3:30pm

Where: Ray Middle School

Transportation and lunch are provided.

Come join STEAM camp where young scientists/engineers will work collaboratively to solve problems and explore the world around them. Our week will be filled with hands-on and minds-on challenges where you can flex your creative muscles in the fields of science, technology, engineering, art and math.

Registered students are expected to attend each day.
