CROSS COUNTRY (GIRLS)

Varsity Coach: Michael Scuderi
Asst. Coach: Barbara Ross

Overall Record: 1 wins – 3 losses

The 2021 XC season was a season where pr's happened during every race opportunity. The girls achieved a 2-4 dual meet record. They finished 5th in the highly competitive SCAC League Meet and Sophia Cavalieri earned 2nd team All League and All Division honors. The ladies finished 7th at their Sectional Race. They battled through many ups and downs and bumps and bruises, but their strength and perseverance paid off in the end. They were led by captains Maggie Solomon and Liz Conklin. Their leadership and guidance were a large part of why each girl on the team improved throughout the season. They also both received the team's Spirit Award. Sophia Cavalieri finished every race as Baldwinsville's first competitor to cross the line and because of this received the Most Valuable Award. Sophia Randolph was the recipient of the Most Improved Award. Her race efforts at the end of the season were over six minutes faster than the start of the season. Clare Horan was our Rookie of the Year. As a freshman, Clare finished in the top five of every race throughout the season. We say a heartfelt goodbye to 2 seniors, Carysn Cronin and Caitlin Sacco who contributed in so many ways to this team. Good luck ladies on all of your future endeavors. We cannot wait to see all of the great things that you are going to do with your lives and never forget that you will always have your running family back here in Baldwinsville.

After losing some key seniors last season , the bees looked to regroup and rebuild for the season. The bees had a hard time scoring losing eight games by one goal. They were in every game and competed with the top teams. The defense was tough. The bees were plagued with many injuries throughout the season losing a total of 5 players that were injured. Despite these injuries many younger players stepped in and did a fantastic job. The scores don't reveal how competitive this team was. They were very unfortunate and unlucky this year. Congratulations to Jaden Katak and Lianna Mostrianska for first team all league honors. 2nd team Audra Salvagni and Makaelynn Neivel. Honorable mention Maeve Bartell, Bronwyn Madden, Adrianna Orlando and Nadia Guzman. Best of luck to all the seniors on the team.

Summary

Overall, this was a very good season for the girls varsity swim team! Every team member recorded several lifetime best times at some point during the season. The girls came together well and took the season head on with some great wins against some strong teams. There were some close losses too, but not for the lack of trying (those diving points get us). We had several top 8 finishers at the Class A meet and the State Qualifier meet in November with a 10th place team finish at State Qualifiers; up from previous years. Ashley Konz and Eva Smith both competed in the NYS meet in Ithaca and swam well. Ashley moved up and placed 36th and Eva placed 9th.

TENNIS (GIRLS)

Varsity Coach: Paul Maestri

Overall Record: **7 wins – 2 losses**

The 2021-2022 Girls Varsity Tennis Team had another excellent year. They ended the season 7-2 during the regular season, beating West Genesee twice and Liverpool. There were thrilling matches against F-M and CBA. Ayla Kalfass, Hannah Gould, and Mira Nadzan led the team at singles. Key contributors in doubles were Reagan Doan/Julia Quinn, Ella Tromblee/Audrey Benton, Elaina Nesbitt/Allie Cavino, and Sophia Fiorentino/Isabella, Iannitti.

Kalfass, Gould, and Nadzan made sectionals and made the quarterfinals at sectionals. Doan/Quinn won 2 thrilling come from behind matches in sectionals against West Genesee and F-M, making the semifinals of sectionals and advancing to the state qualifiers. They lost in the quarter finals at state qualifiers, 1 match short of the state tournament. Tromblee/Benton and Nesbitt/Cavino made the quarterfinals of sectionals.

VOLLEYBALL (BOYS)

Varsity Coach: Glenn Gesek

Overall Record: 2 wins – 16 losses

The 2021 season began with a successful booster club camp in August that was attended by approximately 25 players from grades 7-12. After a summer hiatus due to COVID, we resumed our plan with campers from grades 7 and 8 attending from 8 - 10 and those in grades 9-12 attending from 9-12. The thought was that the younger players would benefit from court time on their own as well as the modeling that would occur with the older campers. Likewise, the older campers would be able to share knowledge but then have 2 hours of camp where they could play at a higher level without worrying about the safety of the younger campers. Over half of the athletes who attended camp were returning players from the 2021 Winter II Junior Varsity and Varsity teams. Tryouts for both junior varsity and varsity were held at the end of August - due to numbers, no cuts were required. However, after having volleyball in Winter 2 the previous year, we saw a significant decline in the number of returning players. After graduating a large class and losing players to other sports, we fielded very small teams this year. Varsity had only 11 players - 2 seniors (one playing for his first season), 4 juniors, and 5 sophomores. JV had 9 players: 1 junior, 6 sophomores, and 2 freshmen. Looking ahead, this should lead to a very full and vibrant team in the upcoming season.

After a difficult season for all teams in the Winter 2 session, the 2021 fall squad set their season goals at the first practice following tryouts:

1. CNCYCL League Championship
2. Section III Championship

Early in the 2021 season, the Bees found themselves struggling to keep up with the competition. This was not surprising to us as we had no returning starters on varsity. Our starting setter was a sophomore in his first varsity season. He was joined by a sophomore starting libero, and 3 other sophomores who saw significant court time. We had one starting senior - Liam Ramsey, an outside hitter who was still growing into his leadership role. We lost to Liverpool and CNS in 3 sets, though we were able to take CNS to extra points in the third set of our match. Our next match against a very talented JD squad showed significant growth - though we lost in 3 sets, we scored 21, 18, and 21 points against them. Our team was looking like it was ready to turn a corner. Unfortunately, Living Word came along next - handing us a 3 set defeat: 20, 12, and 21. With the benefit of the end of season hindsight, we know that these were the 4 teams battling for sectionals - Liverpool overwhelming CNS in 3 sets and Living Word beating JD in 5 sets. Living Word went on to reach states this year, so our schedule was definitely part of our challenge this year. Following those losses, Bville dropped a hard fought 5 set match against Oswego, followed by losses to FM and ESM. Bville would finally break through with a dramatic win against Central Square. After dropping the first two sets and winning the third, Bville was facing match point at 24-17 in the 4th set. After a thrilling comeback, Bville won the set 30-28 and went on to win the 5th set easily, 15-8. That would be the only win that Bville would see until they faced Central Square again - beating them in 3 sets with one of them by the biggest lead all season: 25-7. The first half of the season ended with a loss at much improved Syracuse.

The 2021 squad did not compete in tournaments outside of our section. Even though travel was allowed between sections this year, given the small size of the team, I decided not to risk COVID exposure that could potentially impact our own league matches as well as other teams within our league.

FALL SEASON - Continued

VOLLEYBALL (BOYS) - continued

The second round of league play brought more tough matches, with the Bees battling hard against JD, Liverpool, and Central Square. One of our more competitive matches came against FM at the end of the season - a team who beat CNS during the season and looked ready to make a run of their own. This season definitely showed how the league continues to grow more competitive. Tight matches against Syracuse, ESM and Central Square were added to the typically challenging matches against FM, Oswego, JD, and CNS.

Led by senior Liam Ramsey, the bees kept fighting to the end of the season - finishing with a disappointing 2-16 record in a much improved league. However, with so many sophomores gaining valuable experience, along with the junior class which continued to make improvements, things look bright for next season. While other teams lose key senior players, Bville will be ready to make a new run of its own.

VOLLEYBALL (GIRLS)

Varsity Coach: Mary Jo Cerqua

Overall record: 14 wins – 1 loss

The Fall 2021 season was one of our first sense of "normalcy" after the pandemic started. This year's team was ready to step back out on the court and compete. Coming off of our Fall 2 season, the girls were eager to get back in the gym and hungry for more. Every day these girls showed what hardwork and determination can do. Some highlights of this season include:

Silver Medal Winner - Burnt Hills Tournament

Gold Medal Semi Finalist in our Home Tournament

Gold Medal Runner up at the Horseheads tournament

SCAC League Champions (14-0)

Ranked 10 in the State for AA schools and getting an Honorable Mention from the State

Throughout the season we knew Covid had the possibility to make a large impact on our season, but it wasn't until the very end where it took its toll. Regardless of the outcome, the girls continued to hold their head high and finished the season with a record of 14-1.

Thank you to our seniors and we wish you the best of luck in your future endeavors.

BASKETBALL (BOYS)

Varsity Coach: Mike Lewis

Overall Record: 6 wins - 15 losses

Awards:

Eli Taft - All League Honorable Mention

Jason Bifulco - 2nd Team All League

Summary:

This year's team competed all year long. Our overall record was 6-15 many, many of those losses coming down to one possession games. We had a big first round Sectional win to beat RFA on the road. Jason Bifulco was Second Team & Eli Taft was given Honorable Mention accolades from SCAC.

Jason and Eli led the team in scoring. We wish our 7 seniors luck as they graduate and begin college.

BASKETBALL (GIRLS)

Varsity Coach: Kathy Morse

Overall Record: 16 wins - 6 losses

The girls' varsity basketball team had a tremendous season this year ending with a 16-6 overall record and 9-2 in the league. Unfortunately, for the team we had a season ending injury to point guard Gretchen Perine in the very first game. This made it difficult for the Bees without their star point guard. Sydney Huhtala took over at the point a position she had not played in her varsity career. The Bees would start the season with a season win over highly talented Shaker. They then rattled off 5 straight victories. The team undoubtedly had the hardest schedule around the area as the Bees faced state ranked competition throughout the season playing very well against these teams. They competed with top ranked teams. The bees cruised through their schedule led by seniors Sydney Huhtala and Ola Bednarczyk. The bees once again qualified for sectionals. They began their sectionals by defeating Henninger for the third time. Next up was RFA who they defeated to move to sectional finals. Unfortunately, the team fell short in their final debut. The following girls received recognition for the league: Sydney Huhtala and Alexandra Bednarczyk 1st team all-league and All CNY, Kyrah Wilbur -2nd team all-league and Jayda Pyle and Carlie Young Honorable mention all-league. Congratulations and good luck to seniors; Samantha Tanguay, Gretchen Perine, Sydney Huhtala, Alexandra Bednarczyk, and Jayda Pyle.

WINTER SEASON - Continued

BOWLING (BOYS)

Varsity Coach: Gary Peterson

Overall Record: 11 wins - 4 losses – 0 ties

A very young boys team finished the year with an impressive 11-4 overall record and a 7-1 record in the SCAC Metro League. This was enough to capture the league title.

Easily qualifying for sectionals, the team put up a good six game block to finish a close second to Central Square by only 46 pins. A great accomplishment considering this was their first year together.

Leading the team this year was freshman Eric Barski (215 avg) who also qualified for the shootout in Utica, where he finished in the top 12, on a demanding lane condition. Sophomore Alex Mautz (205 avg) also qualified for the shootout. Alex also shot 300/821 in Junior League this year, which most bowlers don't do their whole career.

Senior captain Hunter Garrett (180 avg) provided stability and leadership all year long for this inexperienced team. He will be missed.

The team has a couple of 7th graders talented enough to compete at this level, and gave solid efforts all year. Jordan Sevigny (170 avg.) and Zenon Gasiorowski (170 avg) were in the starting lineup all year.

Junior Charlie Richards, 8th grader Scott Ritcey, and 9th grader Gabe Streeter will all contribute greatly to the team next year.

We look for this team to compete as one of the best in the section.

Thank you to all the athletes and parents who made this a great year for our team and I look forward to next year!

BOWLING (GIRLS)

Varsity Coach: Gary Peterson

Overall Record: 15 wins – 0 losses

Entering this season, we knew the girls were going to be one of the top teams in Section 3. They lived up to that. The girls were undefeated overall with a 15-0 record, including a big win over Fulton. They were 8-0 in league and easily captured the league title.

They worked hard heading into sectionals, practicing on the pattern almost every day, and working on their games. It paid off with a sectional title, winning by over 350 pins. This is the first time in Baldwinsville history that the girls have won a team sectional title. They were led by Maddy Hass with a 190+ average, who also threw a 270 game, good enough for first place all day.

Next came the NYS Championship held here in Syracuse. After a slow first game, the girls gained some momentum and worked their way into a fourth place finish. Again, best of any B'ville girls team to date!

Senior Amelia Ponto led the way all year for the Lady Bees. She averaged 204.6 for the year, good enough for first team all-league honors. Amelia will be bowling in college on a full scholarship. We wish her the best of luck! We will miss her.

Also joining Amelia on the first team all-league team were twins Julia (201.08) and Jenna (189.19) Speich, who are both Juniors. They should bring the team into contention for another sectional title next year.

Rounding out the top six were Junior Maddy Hass, Senior Lauren Gulich, Freshman Lizzy Hildreth and 7th grader Sam Hass.

I want to thank all the athletes and parents who made this a special year and I look forward to next year! Best of luck to all our Seniors!

CHEERLEADING (Winter)

Varsity Coach: Katie Ducharme

In the Winter season, Varsity started off the season competing at Leagues in Liverpool and placed 2nd. JV and Varsity then competed in Fulton together. Varsity received 1st place and JV received 2nd place- both taking home trophies. The following week JV competed in the Sweetheart Classic at West Genny high school, they received 4th place. Varsity then finished off the season at Sectionals at Oriskany high school, receiving 3rd place.

ICE HOCKEY

Varsity Coach: Mark Lloyd
Asst. Coach: Glenn McCaffrey

Overall Record: 18 wins – 3 losses – 1 tie
League Record: 10 wins – 1 loss

The 2021-2022 school year brought a return to normalcy for the Baldwinsville athletic program after dealing with very difficult circumstances the year prior due to COVID. The B'ville varsity hockey team took full advantage as they skated to an overall record of 18-3-1, including a 10-1 league record. One highlight included going undefeated on home ice, 10-0. Another high point was going on a 17 game unbeaten streak after losing the opening game of the season. They didn't drop another contest until the final game of the regular season, a span of almost three full months without suffering a defeat. This incredible run led to a Section III / Division I league championship, the Skaneateles Tournament title, winning the Conklin Classic game and, at one point earning a #4 state ranking, before finishing the season at #8 in NYS. These accomplishments came against the premier teams in New York State as, each and every year, the Baldwinsville hockey program strives to put together the most challenging schedule possible. They played West Genesee (twice), Cazenovia (twice), Syracuse, Skaneateles, Pelham, CBA and Cortland-Homer; all state ranked teams. Traditional league rivals Liverpool, CNS, Fulton, RFA, Ontario Bay, Watertown IHC, Mohawk Valley and FM (twice) also all fell to the Bee's this year. Non-league games against Fairport and Auburn, as well as previously mentioned CBA, Cortland-Homer and Pelham could not slow down the Bee's as they rolled through the regular season. Advancing to the Section III / Division I championship game, B'ville saw their season come to a close with a hard-fought 2-1 loss to eventual state runner-up West Genesee. It was a disappointing result in a game that went right down to the wire and could have gone either way. This one game however, could not diminish the outstanding season that the Bee's enjoyed.

The class of 2022 is made up of just three players; Matt Carner, Matt Fawwaz and Cole Schuyler. It's a very small class numbers wise but each of the three contributed greatly and reaped the rewards of their efforts. They enjoyed great success throughout their high school hockey career and provided great talent, desire and leadership. They left their mark with the program, will be very difficult to replace and missed a great deal.

We started out the season racing three of the top local teams in the first four meets. We were able to beat Liverpool for the first time in 30 years. After those first difficult meets we were able to win all the rest while working on developing our younger athletes and fine tuning our top athletes. We had one athlete qualify for States in two events, and were very close with our 200 Free Relay.

WRESTLING

Varsity Coach: Tony Burkinshaw

Asst. Coach: Kevin Paul

Overall Record: 13 wins – 5 losses

League Record: 2 wins – 2 losses

Things turned around in the right direction this year for the 2021-2022 Baldwinsville Wrestling program. We did not have a lot of depth on the team, but made up for it in pure toughness. With only 15 wrestlers on the team, a majority of the Varsity lineup should be returning for next year's season, other than our three seniors. Two of our seniors *Max Naples* & *Korben Haney* both reach the milestone of having 30 wins in a single season joining the "30 Win Club".

This year we had 7 Section 3, Division 1 Class AA place finishers; *Aidan Cali*, *Keagan Hayes*, *Brandon Levine*, *Max Naples*, *Aaron Fredenburg*, *Judson Ferris* & *Korban Haney*. *Aidan Cali* was the only Bee to be crowned a Class AA Champion and the Most Outstanding Wrestler (MOW) for the Tournament.

At the Section 3, Division 1 Sectional Tournament at the SRC Arena, the wrestling program had 6 out of 7 qualify in the top 6 earning All-Section Honors. *Aidan Cali* 2nd at 110, *Keagan Hayes* 5th @ 126, *Brandon Levine* 5th @ 145, *Aaron Fredenburg* 5th & *Max Naples* 4th at 152 and *Judson Ferris* 6th @ 160 pound weight class to represent the Bees. With Aiden, reaching the finals gave him a wildcard bid to the *NYSPPHSAA State Tournament* in Albany, which was a nice way to cap off his senior year. Next year we will have 4 out of 6 place finishers returning and some young talent that will be joining them; it will be exciting to see what the season will bring.

Overall record: 12-8

League record: 7-5

The Varsity Baseball Team finished with an overall record of 12-8. 7-5 in League play for 2nd place finish in the SCAC Metro Division. This year's schedule was one of the hardest schedules we have had in recent years. Not only did we play our league opponents 3 times we also traveled to Saratoga Springs and played the 2022 section 2 champs early in the season. The Bees lost to Saratoga 8-7. The Bees also played against perennial state power McQuaid at Falcon park in Auburn. The Bees beat McQuaid 5-3 in a classic game. McQuaid is in the State Final Four as well as our league opponent FM.

This year we had the opportunity to participate in two fundraising events. The first was the ALS Classic at NBT Stadium vs. VVS. The game raises money for the local ALS chapter. The bees beat VVS 11-0. We also played in the Augnaral Mental Health Game vs. West Genesee at OCC. The game was played to raise awareness on all of the Mental Health issues our kids are going through in society today. We raised money for two great organizations, Morgan's Message(WG) and 15ForLife (Baldwinsville).

We would like to Thank our Senior Class for the time and dedication to the Baldwinsville Baseball Program. We wish them good luck as they close one chapter of their lives and open another next year. Good Luck to Dean Welch, Cam Brennan, Perry Chetney, Matt Carner and Kai Girard.

CREW (GIRLS)

Varsity Coach: Chris Ludden
Asst. Coach: Lauren Hughes
Volunteers: Alaura Francis
Cassidy Christensen

The rowing Bees were happy to be back in a "normal" season and had an outstanding spring racing season. A series of scrimmages against local teams and a trip to race Mercy in Rochester helped prepare the team for the State Championships in Saratoga. The Bees came away with a silver medal in the Senior 4, a silver medal in the Novice 8, a bronze medal in the Junior 4 and a 5th place finish in the senior 8. The Senior 4 and Junior 4 qualified and raced at Nationals in NJ based on their strong finish at States. Although neither crew made it to the 2nd day of racing, it was a great experience to build on for next year.

GOLF (GIRLS)

Varsity Coach: Kim Bono

League record: 5-7

Thank you for the opportunity to coach the Girls Varsity Golf Team this Spring. While I was hesitant, at first, to accept the challenge, I'm so glad that I did! After coaching gymnastics for 15 years, it was nice to be OUTSIDE for practice and competitions, No heavy equipment to set up and take down, no spotting or lifting and I got some much needed vitamin D! I had a wonderful group of 16 girls that signed up and showed up on the first day of practice. While I told them I could only play 6 girls at each match, they all continued to show up each day to practice and learn how to play golf. By the end of the season, 13/16 girls played in a match during the season and 3 qualified for sectional play. Not too shabby! The team consisted of 3 seniors, 5 juniors, 2 sophomores and 6 freshmen. I am excited for next season with all of these returning golfers. Even though the beginning of the spring season is iffy for golf, we made the best of it using various areas around the high school to practice our swings and putts. It was nice to develop some team connections while inside. We took 2 field trips to Turning Stone golf dome so we could hit some "real" balls and the girls appreciated the opportunity to do so. During spring break some of us were fortunate to use the golf simulator at The First Tee in Jamesville, NY. What a nice teaching tool to help us "see" what our swings actually look like and analyze ourselves for improvement. When the season finally started we were ready! Winning our first match was a dream come true. Our winning streak continued until we met the "good" golfers and we evened out quickly, finally landing with a 5-7 record. We hope to improve on that next year. I had 3 consistent players throughout the season, seniors Allie Cavino and Gloria Metallo and sophomore Anna Falcone. Those were the 3 sectional qualifiers as well. Anna proved to be the most consistent and missed qualifying for states by only 3 strokes! I'm glad she will be a strong returner! Each of them also received All League honors. There were a few other new coaches in the league and everyone was friendly and helpful. Having our home course at Timber Banks is a bonus and working with Nick Serafino was easy and uncomplicated. I look forward to coaching again Spring 2023!

The Baldwinsville Boys Varsity Lacrosse Team had its best season in program history. LACROSSE (GIRLS)

Varsity Coach: Megan Tabor
Asst. Coach: Liz Boyle

Overall record: 16-2
League record: 8-0

The 2022 girl's lacrosse team had a very competitive season this year! We won the Section 3 Class A Championship and the Class A Regional Championship. We have had an amazing season so far and hope to top it off with a State title! We had the most balanced scoring team with an average of 7 different players scoring a game.

This is the most unselfish team that Bville has seen in a long time. Very rarely do you have a team that wants other players to score more than they want the goals themselves. The support and encouragement between the players is one of the main reasons this team has been so successful. Many players were able to receive All-League Awards this year. We had 6 players make First Team SCAC Metro League, 4 players make 2nd team SCAC Metro League, and 5 players make Honorable Mention SCAC Metro League.

SOFTBALL

Varsity Coach: Jamie Cuyler
Asst. Coach: Ray Grabowski

Overall record: 18-2

The Spring 2022 softball season was one for the record books for the Bees. The Baldwinsville softball program captured its first league title in program history, reaching one of their goals of putting a date on the championship banner that hangs in the Baker gym. They started the season by going undefeated in Myrtle Beach, SC beating some very talented teams from all across the country. They went on to get the most wins in Section 3 by ending the season 18-2. Reaching a program record state ranking of 6th near the end of the season. They eventually lost an exciting extra inning game in the sectional finals ending an incredible season.

The Bees graduate 5 seniors; Bella Nadzan, Taylor Tripodi, Hadley Michaels, Bianca DeSellems, and Grace Branshaw. All five seniors were instrumental in the success of the team this year. In addition, all five earned first team all-SCAC honors. Bella Nadzan was the recipient of the SCAC defensive player of the year honor, Taylor Tripodi received SCAC pitcher of the year ultimately recording a program record and Section high 179 strikeouts. Sophomore Bella Hotchkiss was awarded co-rookie of the year for the SCAC conference. Coach Jamie Cuyler received his 100th win during the season and was named SCAC coach of the year. The softball program is very proud of this team, but it is ultimately prouder of the student athletes that are graduating this year, they are high quality individuals that will be missed.

The returning team members are looking forward to continuing the tradition of the Baldwinsville Softball program in the future. Many young players were able to positively contribute to the team this year and will build upon the successes from the 2022 season. #Team56

The 2022 Outdoor Girls Track Season saw many girls qualify for the postseason. We had 19 girls compete at the State Qualifier Meet; 4x1, 4x4, and the 4x8 relays, PV, HJ, 200m, 400H and 400m. Our girls finished 3rd at the SCAC League Meet and 6th overall at the Class AA Sectional Meet. We had one school record broken; Sydney McKenney in the Pole Vault. She vaulted 10'3 this past season!! The team looks to be even stronger next year as we will be losing only 4 seniors from the almost 60 girls who came out this year! Special thank you to Coach Spicer, Coach Scuderi, Coach Ross and Coach Wisely for all your guidance and support. Also, thank you to the Athletic Department for all your time and effort!
