FALL SEASON

CHEERLEADING (FALL)

Varsity Coach: Cassidy Christensen
Asst. Coach: Mariah Goldsmith

This summer we hosted eight open gym sessions at Van Buren Elementary with a consistent 15-20 person participation rate. We also attended a four day overnight UCA camp with a total of 20 athletes in Pine Forest, PA. At tryouts, we had 27 athletes attend, and offered 14 athletes a position on Varsity, and 10 athletes a spot on JV.

Fall 2023 was our first season of Game Day Cheerleading and it was a success. Athletes and coaches learned a new style of routine which included a band chant, situational sideline, crowd leading cheer and fight song. The situational sideline required athletes to understand game-action and the different calls made in football. This encouraged athletes to be even more involved at Friday night games!

We were able to decorate houses again for homecoming and as a team we decorated posters for each player. We also got together and decorated cupcakes and stuffed goodie bags for the post game dinner.

At our first competition, Fear to Cheer at Hannibal HS, Varsity placed 6th out of 10 and JV placed 6th out of 8. At Scarefest at CNS HS, Varsity placed 6th out of 9 and JV placed 3rd out of 5. At Sectionals, to finish out the season, Varsity took home 4th place out of 7. Taylor Tylenda and KayLynn Pine were awarded All Star recognition at this competition.

CROSS COUNTRY (BOYS)

Varsity Coach: Katie Dolan
Asst. Coach: Megan Titus

Overall Record: 5 wins – 1 loss

We had a great season. We went 5-1 in dual meet competitions. We finished a respectable 10th in a very competitive Premier race at the McQuaid Invitational and went on to finish 7th in an equally competitive race at the Burnt Hills Invitational. We've had athletes take minutes and minutes off of their PR times. We finished 2nd in the SCAC League race and 2nd in our Division. We had 4 athletes earn All-League honors and 5 athletes earn All-Division honors. We finished 2nd at Sectionals and had two athletes (Noah Covert and Ryan Wilson) qualify for the State meet. We also earned a bid to the Federation meet and finished 11th.

1st Team All-League: Noah Covert, Ryan Wilson, Paul Clark

2nd Team All-League: Adam Kozman

1st Team All-Division: Noah Covert, Ryan Wilson, Paul Clark

2nd Team All-Division: Adam Kozman, Jacob Guelli

FALL SEASON - Continued

BOYS Award Winners:

MVP: Noah Covert - He has been our number-one runner this season. He works hard every single day and has proven that when he sets his mind to something he won't stop until he's accomplished it.

Most Improved: Angelo Sawyers (20:00 down to 17:37 took over 2 minutes off his of 5k time)- Angelo trained with us over the summer and did everything that was asked of him. He is an example of what can be accomplished when you trust in your training program and keep moving forward.

Rookie: Matthew Niedzialek - Matthew started the season running 20:27 at our time trial and finished his season with an impressive 18:04 at the League meet.

Team Spirit: Ryan Wilson - Ryan is one of our co-captains and is a great teammate. He's a role model for the younger runners and cheers for everyone. He is extremely dedicated to improving as a runner and helping his team improve as well.

Mr. Consistent: Adam Kozman - Adam is one of our co-captains and is extremely reliable. We can count on him being near the front of the pack and motivating others to push to the finish.

CROSS COUNTRY (GIRLS)

Varsity Coach: Michael Scuderi
Asst. Coach: Barbara Ross

To start with a quote "Do the best you can until you know better, Then, when you know better, Do Better." This has been the mentality of the team the entire season. The 2023 XC season was a season where pr's happened during almost every race opportunity. They had 2 top 5 finishes at invites this season (4th Bville Invite, 4th McQuaid) and also finished in the top 10 in two others (6th at VVS and 8th at Burnt Hills). They were ranked as high as 15th in the state for A schools. They finished 6th in the highly competitive SCAC League Meet where two of our athletes earned All League and All Division honors. The team placed 4th at the sectional meet with one runner qualifying for the state meet and the NYS Federation meet. The amount of improvement from our 1st through the 29th runner was inspirational to watch and be a part of. Many girls had to reset their goals after almost every race.

GIRLS Award Winners:

MVP: Kamryn Barton Has been our number 1 girl all season. She has had many terrific efforts throughout the season and has a competitive streak in her like no other and her story has just begun. Her accomplishments include but are not limited to 10th VVS, 2nd place finish at the Bville Invite, 14th at Burnt Hills, 11th at league meet, 2nd at the sectional meet, 30th at the state meet, and 36th at the federation meet, and 49th at the Nike Regionals. She also earned a spot on the 2nd team All-Division and 2nd team All-League and was on the All-CNY Girls Cross Country team.

FALL SEASON - Continued

Most Improved:

Nia Delardi 30:20(2022) - 21:27(2023) Really dedicated herself this year. Ran with us consistently since July and stayed true to our program and trusted the process. She really proved what dedication to the process can bring you. The motto on the back of our team shirts says "Prove It" and that is exactly what she has done and will continue to do as she qualified to run on our sectional team this year.

Mariah LeGrow 25:11 SCAC 2022 28:31(9:11) Time Trial 21:07 Burnt Hills 21:30 (6:56) League Meet. This is her first year with the team. She ran for Central Square previously, but I am sure glad she is running for us now. She has a heart of gold and a very big future with our team. She qualified for our sectional team. Cannot wait to see what she is going to do there!

Makayla Fowler 28:27(9:10) - 21:24(6:54) I remember during our first couple of weeks of summer training, Makayla wasn't so sure about XC, but kept showing up and doing all that was asked of her. If you know Makayla you know how goofy she is and loves to joke around. With that being said, she realized about the 3rd race of the season at WG that her performances were no joke and that she could really be good at this sport. The switch really came on at the Bville Invite and since then has raced herself into the top 7 on the team and is going to sectionals.

Rookie: Ella DeFio 21:39 (6:56) - 19:17 (6:15) 2nd Team All-League and All-Division. Ella made her presence known and felt right from the beginning. She has a passion for running and is going to be a force to be reckoned with for many years to come. She was top 3 on the team from the beginning to the end running her best race to date at the League Meet.

Liz Wisley Spirit Award: Sophia Cavaliere our team captain and one of our biggest cheerleaders. Her dedication to her team and to our program has been noticed and felt over the past 4 years. You can always find her in or near the chute bringing her teammates home. She is a great teammate and loves to run for our school. Her team means the world to her and she means the world to team.

FIELD HOCKEY

Varsity Coach: Tessa Ordway
Assistant: Kristin Slemmer

Overall Record: 7 wins – 11 losses – 0 ties

The 2023 varsity team was led by a strong group of seniors that helped the team battle through hard fought wins and losses. With only five seniors, the team was very young and worked every day to grow and improve as a team. They really started to find their groove heading into the postseason, unfortunately losing in the sectional semi-finals.

Eight players received all league recognition:

1st team- Ella Holtman, Kelly Nadzan and Raegyn Wells.

2nd team- Reese Clark and Ava Hettler.

Honorable mention- Mya Huntington, Abigail Mantione and Ninah Roux.

Two players received Section 3 All Star recognition – Ella Holtman and Raegyn Wells.

FOOTBALL

Varsity Coach: Carl Sanfilippo

Asst. Coach: Dennis Wellman

Asst. Coach: Ron Hysick

Overall Record: 4 wins – 6 losses

Baldwinsville Football had a very successful year in 2023.

Led by a tremendous senior class of 32 players and a junior class that contributed much to the team. 2023 saw another season of continued School, Community, and family support. It is a pleasure to coach the young men in our School District. The coaches would like to wish the seniors well as they move on to the next endeavor. This Senior Class will be very successful in the game of life.

Our 4-6 record was very competitive when you look at the season. We had a loss by 3 to the eventual State Champion. Our other 5 losses were all to teams that won or played for their Sectional Title. 2023 was the toughest schedule that Baldwinsville Football has ever faced. Credit goes to this team for turning the season around after a rough start, and making it to the Section III Semi Final round.

As a coaching staff we would like to thank the Athletic Office for all the support they give the Athletic Teams in the District. What they do behind the scenes is greatly appreciated.

GOLF (BOYS) Red Team

Varsity Coach: Jamie Cuyler

The Bees Varsity Golf team finished another terrific season in 2023. They finished as league champions. With 8 golfers qualifying for sectionals the Bees Golf team were able to advance three golfers to state qualifiers. Those three golfers were Billy Shipman, Owen Frechette, and Alden Motala. Owen made cut through day one and finished his two rounds with a 168 two day score. The golf program would like to thank Timberbanks for hosting us again this season.

GOLF (BOYS) White Team

Varsity Coach: Kevin Hagan

In the inaugural season of the Boys Varsity White Golf team, the team finished the season with a record of 0-15. Although no matches were won, every single golfer on the team improved their score by at least 5 strokes from the beginning of tryouts to the end of the year. Our team MVP was Dominic Purtell who finished with an average score of 44.69 for 9 holes. Our most improved golfer was Brendan DeCesare who improved his score by more than 10 strokes. While other first time developing teams did not have any athletes qualify for sectionals until their third year as a program, we were lucky enough to have 4 golfers qualify for sectionals in our first year.

Sectional Qualifiers: Dominic Purtell, Rocco Weaver, Craig Vredenburg, and Trevor Miller.

GYMNASTICS (GIRLS)

Varsity Coach: Kim Bono

Asst. Coach: Jeanna Gates

Overall Record: 4 wins – 3 losses

We improved our overall record from last year, reversing it to a winning record of 4-3! Our 3 losses came at the hands of the 3 powerhouse teams which held true during the sectional meet where our team placed 4th overall, just behind the top 3. Once again Bville was well represented at sectionals and on the podium. Bville is home to the Level 3 bars, beam, floor ex and All Around Champion, Ava Wazen! The girls also collected many well deserved league awards. They are all listed below.

FALL SEASON - Continued

Overall, it was a terrific season. Coach Gates and I worked hard with this young crew and we look forward to reaping the benefits for many seasons to come! Thank you for the opportunity to coach this sport at Baldwinsville. Our program has a positive reputation across the section and in the Baldwinsville community.

SOCCER (BOYS)

Varsity Coach: Tim Scheemaker
Asst. Coach: Dan Kincaid

Overall Record: 17 wins – 4 losses – 1 tie

The 2023 Varsity boys soccer team completed its 28th consecutive winning season finishing with a 17 – 4 – 1 overall record and 11 – 2 – 1 mark in league play. Despite not winning the league title, this year's squad went on to win the Sectional and Regional titles before eventually falling in the state final. The Bees had an impressive regular season, narrowly missing out on the league title on the last day of the season, losing 1-0 at Liverpool. The post season proved even more exciting. After easily defeating Corcoran in their first sectional game, the team defeated a very good Utica Proctor team on a last minute goal by Sr. Defender Ryan Bullis. It was a monster blast from 35 yards out that gave the keeper little chance. The Bees then got revenge on Liverpool in the sectional final. After losing two close games to the Warriors in the regular season, the team turned the tables on them as Will Stevens scored the Game's only goal (assisted by Bullis) in the waning moments to win the school's 9th sectional championship, and the first ever Class AAA title. The team went on to defeat Shaker H.S. in OT by a score of 2 - 1. Sr midfielder Andrew Jung finished from close range after a nifty pass from Sr. Greg Ramin. Ramin also scored the team's other goal early in the 2nd half. The Bees defeated Lancaster H.S. 2 – 0 in the state semis on goals from Ramin and Fr Ian Price before losing a tightly contested game to our old nemesis Brentwood Academy in the state finals by a score of 2 – 1.

This year's squad will go down as one of the best teams in school history. Their focus, determination, and talent allowed them to improve on a daily basis and was the cornerstone of their success. Their coachability and togetherness allowed this season to be truly memorable.

SOCCER (GIRLS)

Varsity Coach: Kathy Morse
Asst. Coach: Dave Penafeather

Overall Record: 9 wins – 7 losses – 1 ties

The Baldwinsville Girls varsity soccer team finished with a record of 9-7-1, a great improvement from last season. The girls fought hard each game and played many teams even or slightly better but could not find the net. They started the season off strong with a huge first year Tournament championship for the Ava Wood Memorial. It was a great event to honor an outstanding young player in the program who lost her life way too early. The girls really played hard for Ava and claimed the victory. They also did an outstanding job at the Oneonta tournament winning both of those games against quality opponents. It was a great group of athletes who never gave up. They came every day ready to work and improve. The team made

SWIMMING (GIRLS)

Varsity Coach: Chris Ludden
Assistant Coach: Noelle Staso

B'ville Swimmers had a solid season of improving times from week to week. The girls won two meets, and from start to finish, saw 179 best times! Eva Smith and Olivia McManus won three Section III Class A Championships in the 50 Free (Eva), 100 Fly (Olivia) and 100 Back (Eva). Eva advanced to States and set two school records during the season in the 200 IM and 100 Back. We had a young team and with the modified swimmers moving up next year the future looks bright!

TENNIS (GIRLS)

Varsity Coach: Paul Maestri

Overall Record: 9 wins – 2 losses

The 2023-2024 Girls Varsity Tennis Team had an incredible year. We ended the season at 9-2 during the regular season and made the Team Sectional Championship. Mira Nadzan, Ayla Kalfass, and Ella Clary led the way in Singles. Key contributors in doubles were Sonia Nadzan/Lainey Nesbitt, Jasmine Rawda/Livia Zoanetti, Laine Zoanetti/Layla Trendowski, Carmela Budzich/Juliette Pawelek. Mira Nadzan and Ayla Kalfass qualified for the state tournament in singles. Mira Nadzan won the Sectional singles title and Ayla Kalfass placed 2 nd In the state qualifying tournament, Ayla placed 2 nd and Mira placed 3 rd. Sonia Nazdan/Lainey Nesbitt won the Sectional doubles title and State qualifying tournament and advanced to the state tournament.

VOLLEYBALL (BOYS)

Varsity Coach: Glenn Gesek
Assistant Coach: Dan Hyland

Overall Record: 6 wins – 11 losses

The 2023 season began with a successful booster club camp in August that was attended by approximately 25 players from grades 7-12. We hosted campers from grades 7 and 8 attending from 8 - 10 and those in grades 9-12 attending from 9-12. The thought was that the younger

FALL SEASON - Continued

players would benefit from court time on their own as well as the modeling that would occur with the older campers. Likewise, the older campers would be able to share knowledge but then have 2 hours of camp where they could play at a higher level without worrying about the safety of the younger campers. Over three quarters of the athletes who attended camp were returning players from the 2022 Fall Junior Varsity and Varsity and the 2023 Winter 2 Modified teams. Tryouts for both junior varsity and varsity were held at the end of August - due to numbers, no cuts were required. However, after having volleyball in Winter 2 the previous year, we saw a significant increase in the number of returning players. After graduating a small class in 2022, we fielded very larger teams this year. Varsity had 13 players this year - 10 seniors, 2 juniors, and 1 sophomore. JV had 15 players: 1 junior, 3 sophomores, 10 freshmen and 1 8th grader. Looking ahead, this continues to be an area of concern. The junior was playing in his first season ever. With such a small group of juniors (to become seniors), this may necessitate moving sophomores up to Varsity next year in order to have healthy numbers.

After a difficult season for all the Bees in 2022, the 2023 fall squad set their season goals at the first practice following tryouts:

1. CNYCL League Championship
2. Section III Championship

Early in the 2023 season, the Bees established a presence, beating Liverpool in 4 sets at Liverpool High school. This was a not surprising to us as we had a number of returning starters on varsity. We were returning 2 starting outside hitters and a starting setter, as well as 2 seniors in the middle and a junior Libero. After losing the first set of the season to Liverpool, we won in 4 sets. This was a definite improvement to the start of our previous season, notching our first win in our first match.

Once again this year, Bville traveled out of section and played in a tournament at Penfield. Bville came through pool play in second place in our pool - losing to Bethlehem, splitting sets with Gilman and sweeping our final match. This placed us in the Gold bracket - a significant jump from the previous year when we lost all matches and ended up in the bronze bracket. Bville lost a close match to Penfield in the Gold bracket quarter finals, but definitely made a clear statement that we were a different team again.

Led by 10 seniors, Bville was actually NOT the team with the largest number of seniors. FM had 13, Syracuse had 11... This is a testament to the growth of the modified programs in the area. Bville was led by seniors Brayden Kudarauskas, Brendan Micho, Ethan Davenport, and Xzavier Vanderstouw. Joining the starting lineup was Justin Diep, Nate Mekker (Junior Setter) and Logan Rodriquez.

One of the biggest takeaways from the season was the competitive level of Section III. Many of the teams at the Penfield Tournament were from Section III - that day, 6 of the 12 playoff spots in the Gold Bracket were Section III teams. This is a huge shift. Teams were trading wins and losses all season. CNS beats previously unbeaten (in our league) FM in the Sectional Finals. JD

FALL SEASON - Continued

beats FM during the season. Syracuse beats CNS. Teams are battling across the board. While this is great news for our league, it means that teams have to be prepared to battle harder, more often. Bville finished the season with a record of 6 -11. We were 4th in our league, hosted a Sectional Quarterfinal game vs Liverpool which we won in 4 sets, and lost in the Sectional SemiFinal in straight sets to FM.

FOR THE RECORD ~ Submitted by Head Coaches ~ 2023-2024

WINTER SEASON

BASKETBALL (BOYS)

Varsity Coach: Patrick Beilein
Assistant Coach: Tom Brown

Overall Record: 11 wins - 10 losses

After ending last season with a tough defeat at West Genesee, the boys team worked hard in the offseason to prepare for another season. With the loss of 5 seniors, including 3 starters, there were opportunities for underclassmen to take on a bigger role. The team started the season by going 7-3 through the first ten games and relied on the defensive side of the ball holding teams under 50 points per game. As the regular season closed, the team was 11-9 and secured a winning season. This put the Bees in the 6th seed in the playoffs as they travelled to RFA for the playoffs. The game was close throughout but the Bees ultimately fell 62-56. There were improvements on both ends of the floor with the offense scoring 53.5 points per game and only allowing 52.1 points per game. Additionally, 2 players earned all league honors (MJ Young and Tyler Nilsen). Although the Bees were unable to further advance in the playoffs, the season was successful and has laid to groundwork for continued success in the future, both for the boys basketball program and for the student athletes themselves.

BASKETBALL (GIRLS)

Varsity Coach: Kathy Morse
Assistant Coach: Mark Polky

Overall Record: 16 wins - 6 losses

The varsity basketball team had a very competitive schedule picking up many non league games with quality teams. The bees cruised to a 16-6 overall record winning many close games. The team really played very well at times and showed they could compete with anyone in the league. The bees really came together as a team knocking off many top ranked teams throughout the season. While traveling to Florida they won two out of three games all which were really close games. The strength of the team was their outside shooting where they made 136 three pointers in the season. Defense was a major part this season to their victories. The Bees defeated a tough Rome Free Academy team in sectionals and then fell to eventual Champions Liverpool in the quarter finals after a very close game. Congratulations to seniors

BOWLING (BOYS)

Varsity Coach: Gary Peterson

Overall Record: 11 wins - 4 losses

The Boys Varsity Bowling team had a solid year, winning the SCAC Metro Division with a 7-1 record. They were 11-4 overall with impressive wins over CNS and Liverpool to win the title. The team qualified for sectionals where they finished 5 th behind some very strong teams. They were led by Jordan Sevigny and Zenon Gasiorowski.

Individually, Jordan Sevigny (204) captured first team All-league honors and 2 nd team honors went to Zenon Gasiorowski(198) and Scott Ritcey(189). All 3 will be returning next year which should make for an exciting season. The Bees are young and loaded with talent all the way down the line. With a little luck, they should be in line to win the league title and be in the running to get back to States.

BOWLING (GIRLS)

Varsity Coach: Gary Peterson

Overall Record: 14 wins – 1 loss

The Girls Varsity Bowling team continues to compete at a high level. They won the Metro league title again this year with an impressive 8-0 record (14-1) overall, with their only loss coming at the hands of Fulton, the eventual Sectional champions. The girls ended up finishing 5 th in Sectionals.

The Lady Bees had 4 girls capture 1 st team all league honors: Sam Hass (195), Lizzy Hildreth(184), Layla Trendowski (155) and Morgan Diecuch(155). 2 nd team all league went to Ashlee Laveck(147).

Individually, Sam Hass won high Metro league average(195) and Lizzy Hildreth won the shootout(196) giving the team 2 girls on the composite State team held at Strike and Spare, for the 1 st time in Baldwinsville bowling history. They finished 6 th in the State tournament. With Sam and Lizzy returning next year, the Lady Bees will certainly be a contender once again!

CHEERLEADING (Winter)

Varsity Coach: Cassidy Christensen

Asst. Coach: Mariah Goldsmith/Katelyn Abbatiello

At tryouts for the winter season of Competitive Cheerleading, we had a total of 32 athletes tryout for the teams. We offered 14 athletes a position on the Varsity team, and 13 athletes a spot on the JV team. We offered 5 athletes a position as an alternate, but only one ultimately accepted.

Our first competition was early in the season at Jamesville-Dewitt HS. JV placed 5th and Varsity placed 6th overall. Then, we hosted our 13th annual Bling It On competition at Baker HS. We hosted 32 teams from districts all over New York State. Our JV team placed 5th again and Varsity placed 3rd.

We had four additional competitions after Bling. Next, was SCAC Leagues held at Liverpool HS, Varsity took 4th place. Then we traveled to Section V and competed at Canandaigua HS, where JV took 1st place and Varsity took 2nd place. The following weekend, we competed at Sweetheart Classic at West Genesee High School. Varsity took 4th place, and JV took 5th place. The weekend after that, we competed in Starfest at CNS High School where Varsity placed 3rd and JV placed 3rd as well to finish out their season. Similarly to finish our season, Varsity placed 3rd out of 4 teams at the SRC Arena for Sectionals. KayLynn Pine and Sara Fry were awarded All Star recognition at this competition.

ICE HOCKEY

Varsity Coach: Mark Lloyd

Asst. Coach: Glenn McCaffrey

Overall Record: 10 wins – 12 losses

League Record: 4 wins – 6 losses

The Baldwinsville varsity hockey team continued their philosophy of scheduling and competing against the very best high school hockey teams that New York State has to offer. Defending state champions and top ten state-ranked teams are who we seek out and want to play. With the loss of 17 players a year ago due to graduation and defections to junior hockey we knew the '23-'24 schedule would be very ambitious and difficult. Add in numerous injuries and illness to key players throughout the season and we were fighting an uphill battle. Facing this adversity, the players, nonetheless, competed hard and were in every game that they played. They deserve a great deal of credit for never getting down or feeling sorry for themselves even while playing the majority of games without 5, 6 or even 7 players that were vital to our lineup.

Despite playing with a depleted roster there were numerous highlights. Opening the season with a 4-2 win against Syracuse, one of our biggest rivals, was notable. League wins against the CNY Fusion (combination of Fulton, Liverpool, Central Square & Phoenix), CNS, Ontario Bay and

Mohawk Valley deserve mention. A non-league victory over Williamsville East was a huge highlight as the winning goal was scored with less than one second remaining on the clock. Playing, and beating, Broome County in an outdoor game was an amazing experience for our players. The fact that we came back to win 5-3 after being down 3-1 going into the third period was a real testament to the “never give up” attitude of the team. The high point of the season

WINTER SEASON - Continued

had to be tying up our first-round sectional game with FM with just nine seconds left and our goalie pulled for an extra attacker. B'ville won that one just a few minutes into overtime. Once again, the Bees will be hit hard by graduation this spring. Losing ten seniors will result in a major loss of talent and leadership that will be extremely difficult to replace. During the course of their high school hockey career our seniors won two league championships and competed in two sectional title games. Unfortunately, both of those championship games resulted in 2-1 losses; once to the eventual state champion and the other time to the state runner-up team. Conner Bourque, Nolan Burlingame, Cam Chavis, Brayden Evans, Casey Gilbert, Jack Heatley, Miles Hughes, Jimmy Reynolds, Trevor Sutton and Nate Sotherden all contributed a great deal to the hockey program and should be very proud of their accomplishments.

The 2023-2024 indoor track season proved to be another exceptional year for our track and field programs. With 119 dedicated athletes participating, we competed in a total of 18 events spanning over four months. Our combined boys' and girls' teams showcased outstanding performances throughout the season, achieving remarkable results across various meets.

Combined, our teams secured first place in 9 meets, second place in 3 meets, third place in 2 meets, and fourth place in 2 meets. Additionally, we earned eighth and tenth place in one meet, highlighting the depth and competitiveness of our program.

In particular, our girls' team delivered impressive results, securing second place at both the SCAC Metro League meet and the Class AA Sectional Championship meet. Their consistent performance and dedication throughout the season were evident in their achievements.

On the other hand, our boys' team excelled, clinching first place at the SCAC Metro League meet and achieving the ultimate honor of being crowned the Class AA Champions at the sectional championship meet. Their determination and hard work paid off, showcasing their strength and talent on the track.

Furthermore, 43 of our athletes demonstrated exceptional skills at the New York State Qualifier Meet, with eight athletes earning well-deserved spots at the prestigious New York State Indoor Track and Field Championships. Their representation at the state level reflects the caliber of our program and the commitment of our athletes to excel at the highest level of competition.

Overall, the 2023-2024 indoor track season was marked by outstanding achievements, teamwork, and dedication from all participating athletes. We are incredibly proud of their accomplishments and look forward to continued success in the upcoming seasons.

WINTER SEASON - Continued

VARSITY SWIMMING (BOYS)

Varsity Coach: Chris Ludden
Assistant Coach: Andy McGlynn

It was a record setting year! Under the leadership of our stellar senior class and with the addition of our top tier diver, the boys marched through the dual meet season undefeated, with highlight victories vs JD/CBA which came down to the last event and at Liverpool where B'ville has only won twice in the last 25 years. We had 19 athletes qualify for the Section III Class A Championship meet. For the first time in Baldwinsville Boys Swimming history, those 19 athletes were able to bring home the Section III Class A Championship trophy! At the State Meet 8 of our athletes continued to set school records and led us to a 10th place overall finish. Over the course of the season, our swimmers and diver set school and pool records a total of 21 different times!

WRESTLING

Varsity Coach: Tony Burkinshaw
Asst. Coach: Mitch Alpha

Overall Record: 18 wins – 8 losses
League Record: 2 wins – 2 losses

For another rebuilding year, things really came together for the 2023-2024 Baldwinsville Wrestling program. We struggled once again with depth on the team, and made up for it in pure toughness and young talent. With only 20 wrestlers on the team 6 of them were freshman, 2 of them were 8 th graders and 1 was a 7 th grader, so a majority of the Varsity lineup should be returning for next year's season, other than our six seniors. We had two wrestlers, Brennan Kline and Cael Bruce reached the milestone of having 30 wins in a single season, joining the "30 Win Club". We also had two wrestlers Aaron Fredenburg and Judson Ferris reached the milestone of having 40 wins & 30 Pins in a single season joining the "40 Win/30 Pin Club".

This year we had 10 Section 3, Division 1 Class AA place finishers; Zach Boudreau, Brennan Kline, Cael Bruce, Brendan Fredenburg, Nate Cali, Davian McLeod, Aaron Fredenburg, Judson Ferris & Don Allen. We had Four Bees reached the Class AA Finals; Brennan Kline and Cael Bruce were Tournament Champions and Aaron Fredenburg and Judson Ferris were Runner-up in their individual weight classes.

At the Section 3, Division 1 Sectional Tournament at the SRC Arena, the wrestling program had 7 out of 10 qualify in the top 6 earning All-Section Honors. Brennan Kline (8 th grader) 3 rd at 101, Cael Bruce Runner-up @ 108, Brendan Fredenburg 6 th @ 131, Michael Spinner 5 th @ 138, Nate Cali 4 th @ 152, Aaron Fredenburg 3 rd @ 160 & Judson Ferris True Second @ 190 pound weight class to represent the Bees. Judson Ferris, wrestled back for a true second finish and received a wildcard bid to the NYSPHSAA State Tournament in Albany where he went 3-2 with 2 pins and lost in the blood round on day 2.

Next year we will have 4 out of 7 place finishers returning and some more young talent that will be joining them; it will be exciting to see what the season will bring next year.

WINTER SEASON - Continued

GIRLS WRESTLING

Varsity Coach: Brett Cataldi

This first season of wrestling for our girl's varsity team has been a tremendous success. Each wrestler exhibited excellent growth throughout the season. While demonstrating the motivation to continue to improve through hard work and participating in off-season events. They are a tight knit group and developed a healthy culture amongst their team. Each wrestler supports one another by sitting matside and cheering for their teammates for each match. They come into the wrestling room to work hard, seek out questions and gain the insight to develop their skills and understanding every day.

The Baldwinsville Girls Varsity Team had their first ever match at the Andersen Tournament at C-NS was a Win by Pin by Arianna Leo.

Arianna Leo was also this year's Most Outstanding Wrestler with a 12-10 record, who finished 3rd in section 3!

This year's Most Improved Wrestler was Haylee Robinson who finished with an 11-11 record and finished 4th in Section 3.

Arianna and Haylee earned the position of being team Captains this year and took their roles seriously. They set the tone in the room by being role models and encouraged their teammates to challenge themselves on a daily basis.

The most inspiring match this year was Breanna Leo's final match. Breanna battled through this season without winning a match. At times, she felt discouraged and defeated, but she persevered through the season, until her final match of the season where she took her first victory by pin!

The girls finished the season with 40 Pins total as a team.

This was the first year of Girls Wrestling in Baldwinsville and these athletes performed extremely well. I'm excited to see how much the team grows and how far they are able to go next season.

The Baldwinsville Girls Varsity Wrestling team finished with an 0-5 record this year.

12/5) Fulton 71-Baldwinsville 6

12/13) Holland Patent 34-Baldwinsville 12

12/20) Phoenix 48- Baldwinsville 24

1/11) C-NS 36-Baldwinsville 24

1/17) Camden 48-Baldwinsville 21

The only injury that we had this season was Alissandra Guadalupe injuring her collarbone.

SPRING SEASON

BASEBALL

Varsity Coach: Dave Penafeather
Asst. Coach: Dennis Wellman

Overall record: 14 wins – 6 losses

The Varsity Baseball Team finished with an overall record of 14-6. Overall a pretty good year. The Bees gained a share of the SCAC Metro League Championship and were rewarded the #1 seed in the sectional tournament. The Bees season ended in the semi finals falling to the eventual champ CBA at Falcon Park.

Highlights from the season included their annual trip to Disney in which the Bees traveled with their largest group ever. Other highlights included walk off wins versus CBA and Liverpool in the regular season and a 7-5 ten inning win vs West Genesee at OCC.

We would like to Thank our Senior Class for the time and dedication to the Baldwinsville Baseball Program. We wish them good luck as they close one chapter of their lives and open another next year. Good Luck to Nico Wellman, Logan McIntyre, Casey Collins and Jason Ouellette

CREW (GIRLS)

Varsity Coach: Chris Ludden
Asst. Coach: Grace Skapura

The rough spring weather made it tough to be out on the water for the first few weeks of April. We still managed to hold a couple of scrimmages against Liverpool and take a trip to Rochester to scrimmage Mercy. Those scrimmages combined with our local “CNY Championships” were all the chance we had to prepare for racing at States. The Bees really stepped it up at States with the Junior 4 placing 2nd and the Senior 4 and Novice 8 placing third. At the local Chargers Invitational Regatta, almost every boat entered made the finals and earned a medal! From States we had three boats that qualified for Nationals in Camden, NJ. The Senior 4 and Lightweight 4 both just missed advancing to the semi-finals by one position. The Junior 4 placed 2nd in their heat to advance to the semi-finals, but were one place short of advancing from the semi to the final. Overall a great season of racing for the Bees!

SPRING SEASON - Continued

GIRLS FLAG FOOTBALL

Varsity Coach: Kathy Morse

Asst. Coach: Dan Vannatta

Overall Record: 10 wins – 4 losses

League Record: 6 wins – 3 losses

In the inaugural season for the girls flag football, Baldwinsville excelled in so many ways. Lyla Weber was the first girl in Baldwinsville Flag football to score a touchdown on the first play of the game with a run of 80 yards followed by the first extra point scored by Aubrey Rizzo. The team won its first 6 games beating everyone in the league at least once. This incredible group of 26 young ladies formed a bond and continued to dominate the league. Their toughness and grit led them to the first ever League Championship. Continuing on to sectionals they defeated Syracuse West in the first round putting them into the finals where they faced Syracuse West. It didn't take long for the Bees to score their first points when Aubrey Rizzo ran it into the end zone. The Bees continued to dominate the game and won the Sectional Championship 19-2. Although they fell short in the Regionals it was an awesome season and a very memorable one. Congratulations to all the seniors and we look forward to our returners next season. The following were named 1st Team All League Aubrey Rizzo, Mallory Offredi, Brianne Dzuba and Kiana Hosseni. 2nd Team All League included: Madayia Simons, Ella Valentine and Nora Budzich. Honorable Mention All League was Kyra Virginia and Lyla Weber

GOLF (GIRLS) RED

Varsity Coach: Kim Bono

The Red team finished 10-4 this season, a solid winning record, and qualified for sectionals as a team. We also had 5 individual qualifiers; Anna Falcone, Amelia Hahn, Dariyan DeWeese, Abigail Mantione and Peyton Kowalski. At sectionals, we finished 4/8 in the team competition and Anna, Dariyan and Peyton earned a spot in the State Qualifier match! It was a great experience for everyone. Anna and Peyton were voted MVP's by their teammates. Kelly Nadzan was voted Most Improved. Amelia Hahn was chosen as hardest worker while Lauren Wickes exhibits team spirit! The following girls also received ALL-LEAGUE honors; Peyton Kowalski, 1st team, Anna Falcone, Amelia Hahn & Abigail Mantione- 2nd team while Dariyan DeWeese earned Honorable Mention! All 10 team members showed a lot of progress throughout the season and contributed to our winning success! We are losing only 1 senior, Anna Falcone, so we expect to be a strong force in the league/section again next Spring!

GOLF (GIRLS) WHITE

Varsity Coach: Lauren Dahm

While we did not win a match, the team improved immensely throughout the season, as we had several beginning golfers. We had 2 matches that we only lost by single digits, and the girls continued to shave strokes off of their scores as the season progressed. Sadie Ward achieved 2 E-scores during the season, while Mija Beganovic achieved 1 E-score. The girls learned golf etiquette, scoring, and how to play in NY Spring conditions! I am hoping they are all inspired to continue working on their game and continue to enjoy this lifelong sport!

SPRING SEASON – Continued

LACROSSE (BOYS)

Varsity Coach: Matt Wilcox

Asst. Coach: Andrew Lamb

Overall record: 9 wins – 10 losses

The Baldwinsville Boys Varsity Lacrosse Team had an up and down season battling injuries and having many one goal games. The team finished the regular season with a 9-10 record and was the #4 seed for the Class A sectional playoffs. Baldwinsville would beat Rome 16-2 in the quarterfinals and then upset #1 seed FM 8-7 in the semi-finals. B'ville would come up short in the Section III Finals vs Liverpool losing 7-5.

The coaches would like to thank the booster club, parents, community, and school district for their continued support. They would especially like to thank this year's team and the 2024 senior players for their hard work and leadership throughout this season and lacrosse career.

LACROSSE (GIRLS)

Varsity Coach: Megan Tabor

Asst. Coach: Liz Boyle

The 2024 girl's lacrosse team had to overcome many obstacles this year. We had multiple season ending injuries and lots of younger players learning what it takes to play at the varsity level. While we did not win as many games as we would have liked, this group worked hard every day and came to practices with a great attitude. Each practice was fun and the players learned a lot throughout the season. We ended our season playing our best lacrosse and losing in the sectional semifinals in overtime.

Many players were able to receive All-League Awards this year. We had 2 players make First Team SCAC Metro League, 3 players make 2nd team SCAC Metro League, and 5 players make Honorable Mention SCAC Metro League.

SOFTBALL

Varsity Coach: Jamie Cuyler

Asst. Coach: Danielle Sayler

Overall record: 15-5

The Baldwinsville Bees Softball team had high hopes coming into the 2024 season. Fresh off their first sectional title in program history in 2023. The Bees finished the season 15-5 with their final loss coming at the hands of CNS in the sectional semi-final.

Although they didn't reach their goal of repeated as sectional champions their was tons to be proud of this season: they went undefeated in all of their games during their spring trip to Myrtle Beach. They played a very grueling schedule and earning 15 wins is a terrific accomplishment in itself. Many players earned individual awards and all-league recognition.

SPRING SEASON – Continued

The Softball Program will miss its senior class including: Jenna DiLiberto, Layla Trendowski, Maddie Gulich, Leah VerSchneider, Brooke Nicholson and Bella Hotchkiss. Thank you seniors for all you have done for the softball program!

TENNIS (BOYS)

Varsity Coach: Paul Maestri

Overall record: 8-1

The 2023-2024 Boys Varsity Tennis team had another successful season. They ended the season with a 8-1 record, beating West Genesee and Liverpool 4 times. We also had a huge win against Jamesville-Dewitt. We also went down to the final set against F-M in the regular season made and made the Team Sectional Championship. Key contributors in singles were Mason Doan, Eric Ventura, and Nate Smith. Key contributors in doubles were Andrew Jung/Nick Helbig, and Zach Pendergast/Ethan Haahr, Kai Wilson/ Nick Fogu, and Connor Donovan/Tom Canfield. Greg Ramin also played an important role in doubles. At sectionals, Doan, Ventura, and Smith made the quarterfinals in singles. In doubles, Jung/Helbig and Pendergast/Haahr made the semifinals. Both doubles teams made the state qualifiers. In state qualifiers, both teams made the quarterfinals and had exciting 3 set matches.

TRACK & FIELD (BOYS)

Varsity Coach: William Spicer
Assistant Coach: Mike Scuderi
Assistant Coach: Mike Spicer

The 2024 Outdoor track season proved to be another exceptional year for our boys track and field program. With 86 dedicated athletes participating, we competed in 14 events spanning over three months. Throughout the season, the team showcased outstanding performances, achieving remarkable results across various meets.

The team's efforts led to securing first place in 9 meets and 3rd place in 1 meet, highlighting the depth and competitiveness of our program. Particularly noteworthy was the team's victory at the SCAC Metro League meet and the ultimate honor of being crowned the Class AA Champions at the sectional championship meet. Their determination and hard work paid off, showcasing their strength and talent on the track.

Furthermore, 31 of our athletes demonstrated exceptional skills at the New York State Qualifier Meet, with eight athletes earning well-deserved spots at the prestigious New York State Outdoor Track and Field Championships. Their representation at the state level reflects the caliber of our program and the commitment of our athletes to excel at the highest level of competition.

Overall, the 2024 outdoor track season was marked by outstanding achievements, teamwork, and dedication from all participating athletes. We are incredibly proud of their accomplishments and look forward to continued success in the upcoming seasons.

TRACK & FIELD (GIRLS)

Varsity Coach: Kelly Galliher

Assistant Coach: Barb Ross

Assistant Coach: Liz Petrelli

The Varsity Girls Outdoor season began in March with 87 girls on the track. Our season will continue on Friday, June 7th with the 4x4 relay team competing at the NYSPHSAA Outdoor Meet. The relay team is composed of Amerie Williams -11, Emerson Clavijo-11, Aaniya Johnson-11 and Kam Barton-10. Supporting them and taking on the job of alternates are Mariah LeGrow-11, Mia Roberts-9, Avetanna Francisco-9 and Abigail Fawcett-10. In between, we saw many personal bests and growth throughout. At the SCAC Metro Meet the girls finished 3rd and then after a quick turn around, competed in the Section 3 AA Sectional meet where they took 3rd place. This was the highest finish in almost 10 years for the girls team. Leah Bahamonde was League Champ in both the Discus and Shot Put. We are excited for the future as we only say goodbye to 10 seniors.

***CONGRATULATIONS TO ALL
OUR TEAMS
AND
GOOD LUCK SENIORS!***
