Buses will have numbered signs displayed in their side windows as to which area they will cover. Any student who is not clear which bus they should ride should go to their school's main office, view the district website or call transportation.

**Reminder:** these buses follow a "late run style" route, meaning, they may stop at a corner and not necessarily the regular assigned stops. Please refer to the maps and descriptions for each regent's route that will be displayed in the school's main office.
